

STOKE PARK — SCHOOL —

REF: YR. 11 GCSE Information Evening -Online Event

Dear Parent/Carer,

At Stoke Park, we fully believe in the capacity of all our students to achieve outstanding results. One of our key methods of supporting our students is working collaboratively with you to ensure they are continually reflecting on their progress and targeting their individual and specific areas for development.

With this in mind, we would like you to attend a **Year 11 GCSE information evening**.

Date: Wednesday 20th March 2024

Time: 18.00 -18:30 pm via zoom.

Location: Online event – Microsoft zoom

Please follow the link and register for the event:

https://us06web.zoom.us/webinar/register/WN_UoCQJ2T0QF2v5HF9BMbBiw

After registering, you will receive a confirmation email containing information about joining the webinar.

The core aim of the evening is to support you and your child in understanding how they can develop their skills and knowledge, so that they can achieve their specific target grade in the **final GCSE exams that start in May 2024**. This evening should provide an outstanding opportunity for us to work closely with you to support our students to understand how they individually can improve.

A Stoke Park Year 11 Architect is one that understands the importance of having a vision for the future. Please support your child to ensure they revise so they can maximise their life chances.
