

STOKE PARK — SCHOOL —

Dear Parents/Carers

GCSE Results Day – Thursday 22nd August, 2024

I am writing to inform you of the plan for GCSE Results Day which will take place on Thursday 22nd August 2024 from 9am until noon.

Students should arrive via the pedestrian gate at the Dane Road entrance where they will be welcomed into the hall via the double glass doors at main reception.

Students who need to enrol in Stoke Park Post 16 will then head over to the Post 16 building to complete their enrolment and receive their welcome pack. If applicable, students will also receive their student bursary forms on this day. Those students who have questions or need support with their destination or pathway will be welcome to stay and receive guidance from Mrs Dye, our careers advisor.

All students will exit out from main reception and we would like to see as many of our students as possible and wish them well before they commence the next phase of their lives.

Due to the safeguarding of other students who will be on site, only students will be allowed on the premises that day. If students are being dropped off by parents, this must be done further up along Shakespeare Street or Dane Road, away from the school gates.

We would ask that students bring any class texts, textbooks or library books that they may still have with them back to school on Results Day.

Students who are not going to be able to attend on the day due to being on holiday should make arrangements with the Year 11 team to have their reports emailed to them at their school email address. They must then confirm their place at Post 16 by emailing hpinder@stokepark.coventry.sch.uk on results day, Thursday 22nd August 2024.

Year 12 Resit students, who will be receiving their GCSE English or Maths results, should come to collect their results at 11am in the Main Hall.

Should your child have any questions or queries about their results, they should direct them to Mr Jamal (Director of Year 11) who will be able to assist you.

We look forward to seeing our students on Thursday 22nd August.

Kind regards

Mr Jamal

Assistant Headteacher and Director of Year 11
