RE: End of Year / Start of Academic Year Arrangements

Dear Parent / Carer,

As we approach the end of a successful academic year, I am writing to give you important details about the end-of-term arrangements and those for the new school year in September.

Across the school year, our students have had access to a number of rewarding and exciting opportunities, such as the excellent concerts and school production of Sister Act, The Futures Trust Arts Festival, working alongside world class universities such as Warwick, Oxford and Cambridge as well as our association with EtonX and Eton College. We have also been invited to Number 10 Downing Street on no fewer than two occasions this year where our students were involved in digital and artistic workshops.

Students have also been part of our Bronze accreditation as a UNICEF Rights Respecting School, a fantastic achievement. As we look forward to the new academic year, we want to further enhance the experiences from which all our students will benefit. The 'Stoke Park Student Experience' will continue to develop their skills as leaders of learning and will open the door to an even wider range of opportunities.

Outlined below is key information regarding the end of the school term and the start of next academic year.
