Dear Parents/Carers

Year 10 GCSE Information Evening - Online

I would like to invite you to attend our Parents' Information Evening on **Tuesday 24th September**. This is an important online session and provides you with an opportunity to understand the GCSE Specifications in more detail, alongside understanding how best you can support your child through their next two years of study at Stoke Park School.

The information will be provided by Mr Grimwood, Assistant Headteacher for Year 10, and Miss Muldoon, Head of Year for Year 10. We hope that it will help you to understand the main challenges students will face during their studies, and the expectations on them from both the school, but also the exam boards.

In order to ensure as many of you are able to access this information as possible, two sessions will be held. It is only necessary to attend **one** of these sessions, as it will be the same information in both of them.

Session 1 – Tuesday 24th September at 12:45

Session 2 – Tuesday 24th September at 17:00

The information will be presented via Zoom Webinar. In order to register for one of the sessions, please use the following links. The links will also be texted out to the primary contact on our school system, and this letter is available on the school website.

Session 1 at 12:45 -
