

## STOKE PARK — SCHOOL —

REF: YEAR 11 MOCK EXAMS

Dear Parent/Carer,

The final round of mock exams for Year 11 Architects are taking place week commencing the 2<sup>nd</sup> of February 2026. The purpose of these formal assessments is to assess strengths and areas for development and act as a foundation for further teaching, intervention and revision.

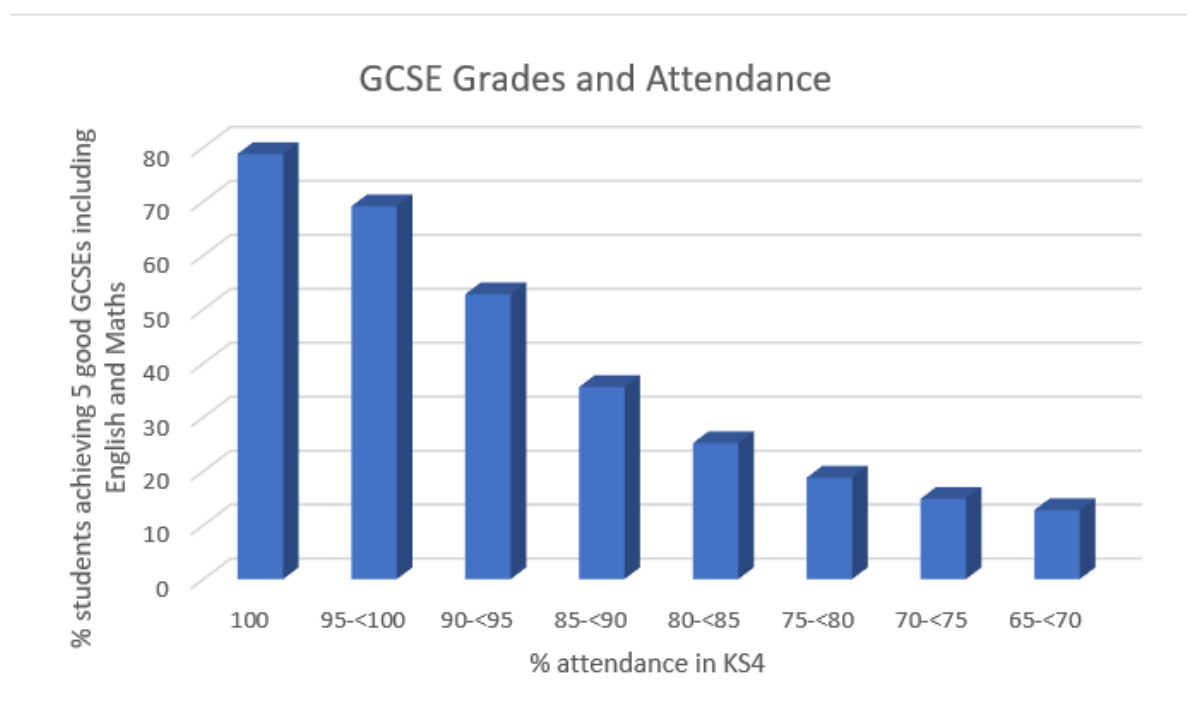

In order to ensure our Architects have all the tools required for success, it is of the upmost importance that they attend school every day, attend intervention where applicable and give 100% effort to revision. These assessments serve as a valuable opportunity for your child to familiarise themselves with the exam format, practise time management, and identify areas for improvement. It also gives teachers the opportunity to assess and feedback, ensuring every opportunity for your child's progress and ultimate success.

Although some degree of worry is understandable with mock exams, it is important to focus on them as an opportunity to gain experience and enhance their exam knowledge, experience and techniques. Students should be encouraged to approach these exams with a positive mindset and use the feedback received as a tool for growth and development.

### **Attendance: A Critical Focus**

At this pivotal stage, excellent attendance is more important than ever. Every lesson counts. We kindly ask for your full support in ensuring your child attends school every day. Our expectation remains for students to achieve 100% attendance.

Missing lessons means missing out on vital content and revision support—content that may prove essential in their final exams. There is a strong link between attendance and academic achievement, and every school day provides an opportunity that cannot be replaced.

For all learners with 100% attendance, including arriving on time, during the mock exam and feedback week will be entered into a prize draw to win a voucher

### **SP5 Equipment and JCQ protocols**

Practically, learners should make sure they have the necessary equipment for each exam, which includes a clear pencil case, black biros, pencils, geometry set and a scientific calculator when allowed. Learners will be expected to follow all JCQ exam protocols, including no watches of any form or phones in the exam venue. Please see the following link that has updated JCQ protocols. <https://www.stokepark.coventry.sch.uk/page/?title=Exams+Information&pid=143>

### **Punctuality and Commitment**

Alongside attendance, punctuality is equally important. Students must arrive by 8:40 AM. Targeted interventions take place during morning registration, and any student arriving after this time will be marked as unauthorised.

Thank you for your continued support and partnership in your child's education. Together, we can ensure they are well-prepared for their GCSE examinations and achieve their full potential.

Kind regards,

**Mr I Jamal**

**Assistant Head Teacher**

**Director of Year 11**

## Mock timetable (week commencing 2nd November 2026)

## Warning to Candidates

1. You **must** be on time for all your examinations.
2. **Possession of a mobile phone** or other unauthorised material **is not allowed** even if you do not intend to use it. You will be subject to penalty and possible disqualification from the exam/qualification.
3. You **must not** talk to, attempt to communicate with or disturb other candidates once you have entered the examination room.
4. You **must** follow the instructions of the invigilator.
5. You **must not** sit an examination in the name of another candidate.
6. You **must not** become involved in any unfair or dishonest practice in any part of the examination.
7. If you are confused about anything, only speak to an invigilator.

**The *Warning to Candidates* must be displayed in a prominent place outside each examination room. This may be a hard copy A3 paper version or an image of the poster projected onto a wall or screen for all candidates to see.**
