

STOKE PARK
— SCHOOL —

Dear Parents and Carers,

As we approach the end of the academic year, I wanted to take this opportunity to introduce myself as the new Head of School at Stoke Park School from September.

Over the past few weeks, I have had the privilege of spending time in school, meeting staff and students, visiting lessons, and attending events, including the fantastic production of *Shrek Jr.* It has been wonderful to see first-hand the talent, commitment and enthusiasm that make Stoke Park such a special community.

As we prepare for the next chapter in the school's journey, two themes have stood out to me time and again: Better Together and The Next Chapter. These reflect our ambition to continue building on the strong foundations already in place and to work together to secure the very best outcomes for every child.

I would also like to take this opportunity to thank Mrs Smith for her commitment, leadership and service to Stoke Park School. She has made me feel incredibly welcome during this transition, and I know the entire community will join me in thanking her for all she has done for the school.

I am also delighted to introduce our new Deputy Headteachers, Miss Berry and Mrs Moroney, who will be joining the Stoke Park team in September. Together, we are excited about the opportunities ahead.

One of my key priorities will be to continue strengthening communication and engagement with Parents and Carers. We know that students achieve their very best when school and home work in partnership. I am looking forward to meeting many of you at information evenings, parent events and other opportunities throughout the year so that the school can listen, share information and work together to support your child's success.

I am genuinely excited about the future of Stoke Park School and feel privileged to be joining such a dedicated community of staff, students and families.

Thank you for your continued support. I wish you and your families a safe and enjoyable summer break, and I look forward to working with you in September.

Yours sincerely,

Samuel Mohamed
Head of School
