

STOKE PARK
— SCHOOL —

Dear Parent/Carer,

We would like to inform you that all Year 7 students will be completing the New Group Reading Test (NGRT) during the week commencing 14th September 2026.

The NGRT is a nationally standardised assessment used by schools across the UK to measure reading and comprehension skills against age-related expectations. The assessment helps us to identify students' literacy strengths, monitor progress, and determine whether any additional reading support or interventions may be beneficial.

The test is completed online under staff supervision and is designed to be accessible. There is no preparation required, and we encourage students to approach the assessment calmly and do their best.

The information gathered from the NGRT will support our ongoing efforts to ensure that all students receive the appropriate level of challenge and support in their learning.

If you have any questions regarding the assessment, please do not hesitate to contact the school.

Thank you for your continued support.

Yours sincerely,

A. Pearson
