We believe children and young people in Coventry should always...

be and feel
valued

be and feel
safe

have
opportunities

be and feel
healthy

be and feel
loved

Children's and
Education Services

**Coventry City Council Children's Services
are Outstanding!**

Introduction

Deciding which secondary school to choose is one of the most important decisions parents, carers and young people will have to make. We want to make sure that your child's move from primary to secondary school is as smooth as possible. It is important that you have all the information available so that you and your child can make an informed decision about the school you would prefer for them to attend.

We aim to make sure that you have the best chance of securing a place at the school of your choice. For admissions in September 2026, we were only able to offer 81.9% of children their first preference and 94.4% of children one of their three preferences. Due to the high number of applicants, many schools received more applications than there are places available. This meant that parents who applied late were often unsuccessful in getting a place at one of their preferred schools. It is therefore very important that you apply by the closing date and use the information in this booklet and advice from Admissions staff to ensure you have the best chance of getting a place at your preferred school.

School places are offered on the basis of the oversubscription criteria in each school admissions policy. Please look at the details of the policies for each school that you are interested in, so that you can see whether your application would have a high priority or not. It is important to make realistic applications because where you are not successful with any of your choices, we will have to offer you a place at the nearest school with places available, which may be some distance from your home.

To apply for a school place please apply online by 31 October 2026

My staff will do everything they can to help provide the very best education for your child in Coventry.

Rachael Sugars
Strategic Lead for Education and SEND

Where can I get more help?

If you feel you need more support and guidance than you find in this document then at any time during the process, you can:

- **Contact staff by emailing** secondaryadmissions@coventry.gov.uk
- Or contact your local primary school

Why should I apply online?

- You will receive notification of the result of your application by email, or you can check your account for details on 1 March 2027
- There is no risk that your application will be lost in the post.
- You will receive an email confirmation that your application has been received.
- It is quick and easy to use.
- You can apply 24 hours a day, 7 days a week.
- It is safe and secure.
- You can change your application up to the closing date: 31 October 2026

Online admission process

Last year **89.4%** of parents submitted online applications requesting a secondary school place for September 2026. The online facility for secondary school admissions for September 2027 will be available from 1 September 2026 until 31 October 2026 and is a quick and simple way to make your application. It will also enable you to easily view the result of your application on 1 March 2027.

Some primary schools will make their computers available at certain times for parents to complete and submit an online application form. You should check with your child's school to find out whether they provide this service. Alternatively, check with your local library for support in completing your online application.

To find your nearest library please visit www.coventry.gov.uk/communitylibraries. You need to join the library before you can use a computer, it is free for everyone.

www.coventry.gov.uk/info/126/libraries/3213/join_find_use

Why not join up the whole family so you are ready for school?

You can apply straight from the school admissions page of the Coventry City Council website at www.coventry.gov.uk/schooladmissions

****If you decide you want to change the schools or any information you can do this online up to the closing date, 31 October 2026. Please remember to resubmit your application after reviewing or making any changes to your application.**

You will receive an email on 1 March 2027 informing you which school has been allocated for your child. You can also log into your account, and you will be able to see which school your child has been allocated online.

If you are unable to complete an application online for any reason, you can contact your child's Primary school for a paper application and return this to the Primary school so they can send the application to the Admissions Team.

Please ensure this is done before the 23 October 2026.

REMEMBER

- For all online applications you will need a valid email address
- Please remember to **resubmit** your application after reviewing or making any changes
- Note your password down and keep it safe so you can access your account to check the result on 1 March 2027
- Passwords are case sensitive.
- Paper applications can be completed and handed back to your child's primary school by **23 October 2026**

Section 1

General information

School Admissions Flowchart

September 2027

The Government requires every Local Authority to draw up a scheme for admissions to mainstream secondary schools. Our scheme covers every school in the Coventry area, except independent schools. The regulations also require Local Authorities to exchange information with their neighbouring authorities. The main aim of the scheme is to ensure that your child receives the best possible single offer of a place at a secondary school based on your preferences.

How does the admissions process work?

If you would like your child to go to any maintained secondary school or Academy you will need to apply online via the Coventry City Council website:

www.coventry.gov.uk/schooladmissions/applyonline

- Parents will be able to apply for up to three schools. We strongly recommend that in your application, you list the three schools that you would like your child to attend. The school you name first should be the one you would most like your child to attend. There is no advantage in listing fewer than three schools or including the same school more than once
- You must include your catchment area school if you want to apply/be considered for a place at that school even if you make this your third choice
- If any of the schools you have listed receive more applications than there are places available, your application is assessed against that school's published admissions criteria
- We will offer you a place at the school you ranked highest if your application meets the admission criteria for more than one school
- An offer will be sent to you on 1 March 2027. If there is not a place available for you at any of the schools you have requested, we will allocate you a place at the nearest school with places available to your home address.

Admission criteria

For all children, the authority will try to offer a place at the school listed as your first preference. Parents are advised to read the admissions policies of all the schools requested so they can judge the likelihood, or not, of being offered a place at the school they most prefer. When a school receives more applications than it has places available, we need a fair and consistent way of deciding how to offer the places available.

It is important that you read all the criteria so that you can decide which school your child is most likely to be offered a place at. Some children are not offered a place at any of the schools listed on their application, because there are other children who meet the criteria better than they do. For September 2026 entry, 233 pupils did not get a requested school on 2 March 2026. In most cases, this was because they did not request other schools.

Making a realistic application - Before you apply

- Look at the **oversubscription criteria** for your preferred schools to work out which priority would be given to your application. Policy details can be found by school [here](#)
- Read the individual school pages in [Section 2](#) for definitions that can help you understand the words used within the oversubscription criteria.
- Check your distance from the school. The Admissions team can confirm this for you, please email: secondaryadmissions@coventry.gov.uk stating 'distance query' in the subject box.

Comparing your priority and distance with how places have been offered in previous years will give you an indication of how successful your application might be. There are further details on how places were allocated on each individual school page in [Section 2](#).

Making a realistic application example

This is an example and does not imply the outcome of an application.

Imagine you are applying for School A - find out your priority by checking your circumstances against the oversubscription criteria like this:

1 Children who, at the time of admission, are in the care of a local authority or are provided with accommodation by the authority (looked after children) and all previously looked after children who were looked after but ceased to be so because they were adopted or became subject to a child arrangements order or a special guardianship order. Including those children who appear (to the admission authority) to have been in state care outside England and ceased to be in state care as a result of being adopted.

Is your child or has your child ever been in foster care or adopted after being in foster care with a local authority or state care outside England?

No

2 Children who live in the catchment area served by the school, who have a brother or sister attending the school provided that the brother or sister will continue to attend that school the following year

- You can check this using <https://www.coventry.gov.uk/catchmentareas>
- Do you have an older child attending in year 7-10 at the time of applying and will they

No

still be attending this school
next September?

3 Children living in the catchment area for School A	- You can check this using https://www.coventry.gov.uk/catchmentareas	No
4 Children living outside the catchment area with a brother or sister who currently attends the school, provided that the brother or sister will continue to attend that school the following year	Do you have an older child attending in year 7-10 at the time of applying and will they still be attending this school next September?	No
5 Children of staff employed by the school for more than 2 years (this does not apply to all schools)	Are you a member of school staff at School A?	No
6 Children living outside the catchment area	How far do you live from School A?	1.6 miles

For School A your application has priority 6 and you live 1.6 miles from the school. Check in **Section 2** the school page and compare to the last person offered a place at School A for last September, this could have been a child in priority 6 at 1.194 miles from the school. This then means that your child would **not** have been offered a place because you live too far away. **However, this is only a guide and does not mean your application would be unsuccessful every year.**

The number of places available in priority 6 will change depending on how many applications are made for each school and how many children live in the catchment area.

The distance of the last person offered a place could also change, for example, it will not always be 1.194 miles for School A. You can still apply for this school and if it is the school, you want the most you should put it first on your application, but you should include other schools where you may have a better chance of being offered a place. You should find out your priority and distance for all of your preferences. If you have a higher priority or the same priority and live closer to the school, you have a good chance of being offered a place. If you have the same priority and live further away your chance of being offered a place is not as good.

Many people will choose to make applications for schools which have been judged by Ofsted as outstanding schools. This means that the schools will be very popular and have far more applications than there are places available. For these schools they are often/usually unable to make offers to children who are lower than priority 3 or 4 in their

policies. If you only apply for schools like this, where your application would be classed as under priority 6 then you will not be offered a place at any of your preferred schools.

Please note: The local authority legally **must** make sure that your child is offered a school place, this means that you will be given a place at the nearest school with a space available. This may not be your catchment area school, especially if all places are allocated to applicants who asked for the school and if other local schools have more applicants than they have places, you run the risk of being allocated a school some distance away. To prevent this from happening we would ask you to always include a school where your application will have a higher priority, even if you put this as your third preference. For example, apply for your catchment area school (as you may not get this later), or a school where you have a higher priority because of your faith, or you have an older child already attending that school. Some schools do consider 6th form pupils as siblings (check the school policies for details)

If the school you want to apply for is a Catholic school, they will give priority to children who are baptised Catholic and/or those who live in the parish. Coventry Catholic schools require you to send the baptismal certificate for your child as well as include the school name on your application. Blue Coat School and Seva School require a **supplementary form** to be completed and returned to the school by the deadline date as additional documentation.

Coventry application forms have 3 choices for you to complete, If your 3 choices of schools are all outside Coventry, we would strongly advise that at least one of these choices should be your catchment area school - this will give you a higher chance of receiving a suitable school place offer on 1 March 2027.

Please note: All schools outside of Coventry will give you the final criteria of the distance you live from the school, unless you have a sibling already attending the school. Please make sure that you check the admission policies of the schools outside of Coventry by visiting their individual school website or contacting the Local Authority in which the school resides.

REMEMBER

If we can allocate a place at more than one of your preferred schools, we will offer you the school you ranked the highest.

You must include your catchment area school if you want to apply for a place at that school as there is no guarantee you will get this later in the process.

Special Educational Needs and disabilities

Some pupils may have special educational needs and/or a disability during their time in education. All schools are required to have policies and a SEN information report about their provision for special educational needs which must be made available to parents via their website. Links to local schools can be accessed via the Local Offer on the Local Authority's website which can be found at: www.coventry.gov.uk/sendsupport

All schools must also have an Equality Scheme which sets out the school's arrangements to support pupils with disabilities and shows how they will increase access to education for disabled pupils.

Schools are responsible for arranging help for pupils with special needs and disabilities. The Local Authority provides a range of support services that are available to schools to assist staff and individual children.

Support services are provided for pupils with hearing and/or visual impairment, general learning difficulties, social emotional and mental health difficulties, speech and language and autism. The Education Psychology Service also provides support and advice to teachers and parents of pupils in relation to a wide range of learning difficulties.

Despite extra help, a very small number of pupils continue to have difficulties and may require a fuller statutory assessment of their needs. Under the Code of Practice for Special Educational Needs, an Education, Health and Care Needs assessment would then be carried out. Information on the statutory assessment process is available from either your child's school or from the Local Authority (see website link above).

Support can be obtained from the Local Authority's Statutory Assessment and Review Team (START) on 024 7683 1614 whilst the SEND Information, Advice and Support Service (SEND IASS) provides impartial and confidential support to children/young people and their parents/carers. Contact with the team can be made via 024 7669 4307, or visit www.coventry.gov.uk/sendiaass

If parents believe that their child has difficulties and needs that the school is unaware of, or they are concerned about the arrangements being made, they should speak to the head teacher or the school SENCO in the first instance.

Coventry process for pupils with an Education, Health and Care Plan transferring to secondary school during Year 6

The Statutory Assessment and Review Team (START) will write to families during the autumn term of Year 6 to seek parents' preferred school. Parents do not need to complete the normal online secondary admissions form. Parents will be asked to respond by October half term. Consultation will then follow with the parent's preferred school, and the outcome will be communicated to parents by 15 February each year. Please note we are not always able to provide a place at the school of parental preference, and this will vary each year depending on capacity in local schools, but we will ensure a suitable school place that can meet your child's need is provided. Any queries or concerns regarding pupils with an EHC Plan, should be addressed to the START Team: 024 7683 1614 or email: SEN@coventry.gov.uk

Please note: If you are undergoing an EHC needs assessment, which is scheduled to be completed **after** the 31st October deadline, you will need to complete a normal secondary admissions form through the usual process.

Accurate addresses

You should use your current permanent address (where you are living at the time you complete your application) and include the council tax property number for that address. Please make sure that the address and postcode you give us is correct, because we may use

them to see whether you qualify under a particular admissions criterion. We regularly check addresses, including arranging visits from Attendance and Children Missing Education staff, and if details are not correct, we will withdraw the offer of a school place. For example, it is not valid to state the address of a childminder, grandparent or any other relation.

A pupil's home address is considered to be a residential property that is the child's only or main residence. At the time places are allocated, proof of permanent residence at the property concerned may be required. Where documentary evidence can substantiate to the satisfaction of the Local Authority that care is split equally between parents at two homes, school admission policies will detail how they will assess which address will be considered.

WARNING

The Local Authority will withdraw your offer of a school place if you have given incorrect information regarding your child's address.

Change of address

If you have submitted your application by the closing date of 31 October 2026 and move to a new house before 31 December 2026 you must contact admissions by email on 11plus@coventry.gov.uk with your new address, we will then consider your preferences from your new address.

If you move after 31 December 2026, it will not be possible to take your new address into account until after the initial allocation of pupils to schools has been made on 1 March 2027.

You should be aware however that there may not be places available at that time. If this is the case, you will be informed of your right to appeal to an Independent Appeal Panel.

Late applications

All applications received after 31 October 2026 will only be considered after offers are made to all on time applicants on 1 March 2027. This means that late applicants are only likely to get places at schools which are not full, on 1 March 2027. Details within the individual school pages in [Section 2](#) show which schools were oversubscribed in previous years.

After 1 March 2027, all late applications will be considered along with applicants who have had a change of circumstances e.g. those who moved addresses too late for their new address to be considered. We will then make offers to all those in a second round of offers in early April 2027. Information on changes to waiting list positions will only be available from 12 April 2027

Receipt of applications

If you apply online, you will receive an acknowledgement email. If you have returned a paper application form, you will be sent a receipt within 14 days. **If you do not receive this receipt, then please contact the team immediately by emailing 11plus@coventry.gov.uk or telephone 024 7697 5445.**

Without this receipt, your application will not have been received which means that your child will not be offered a school place.

Frequently asked questions about starting a secondary school

Can I apply for a school place online?

An online application form is available at www.coventry.gov.uk/schooladmissions follow the link to the online application. When you submit your application, you will receive an acknowledgement email. Supplementary forms for applicants applying for Blue Coat Church of England School and the Seva School can also be downloaded from the above website. However, these must be returned to the preferred school direct in the paper format. Advice is available from Admissions staff in making your application. It is your responsibility to contact us if you do not receive an acknowledgement.

Can I make changes to my online application?

You can check and change your application up to the closing date 31 October 2026. However, it is important that you make sure you **resubmit** your application every time you view or make any changes as this will not be sent to the admissions team if you do not.

What if my child is currently being educated outside of their normal age group?

If your child was not born between 1/9/2015 and 31/8/2016 then you will be unable to apply for secondary school entry in 2027 using the online portal. Please contact the Admissions Team on 024 7697 5445 to request a paper application form and to discuss your application.

Where requests are made for children to attend school outside their normal age group these will be considered on the circumstances of each case and in the child's best interests. Each secondary school governing body will need to make an individual decision. There are no guarantees that such applications will be agreed. However, where the application is not agreed a letter settling out the decision and reasons for it will be provided along with any rights to appeal.

For a summer born child that started in reception a year later than is usual, they would need to apply for a secondary school place as an out of year group place when they are in year 5 rather than year 6. If you have missed this deadline, please speak to the Admissions Team and for more general advice you can go to

<https://www.gov.uk/government/publications/summer-born-children-school-admission>

We went through the secondary admissions process three years ago with our older child. Has anything changed?

There have been some changes to the admissions policies for some schools in respect of admissions oversubscription criteria and appeals. Please check the information in this booklet to see how the process will work in 2027. There has been an increasing demand for secondary school spaces due to the increasing birth rate. Therefore, we would advise you to read through the criteria and the past years allocation details as stated on the individual schools' details listed in [Section 2](#) of this booklet. If you don't understand the process, you can also contact Admissions by emailing 11plus@coventry.gov.uk

What happens if I miss the 31 October 2026 deadline?

If your application is late, it will not be dealt with until after 1 March 2027. You will not receive a letter regarding the outcome of your application until April 2027, and it is very unlikely you would get a place in any of the popular, oversubscribed schools. Due to the increased

demand for spaces, there may be only a limited number of schools within the city with spaces available after the initial allocation has taken place on the 1 March 2027. All applications which are received before or on 31 October 2026 will be considered as on time.

What happens if I move after the deadline for receiving applications?

If you have submitted your application by the closing date of 31 October 2026 and move to a new home before 31 December 2026 you must contact admissions by email on 11plus@coventry.gov.uk with your new address, we will then consider your preferences from your new address. We will only consider a new address when you are physically living there, and it is the child's permanent or main residence. If you originally put down 3 preferences for that address, you may also wish to change them to consider your new address. If you move after the deadline of 31 December 2026, it will not be possible to take your new address into account for the school offered on 1 March 2027. We will only be able to use your new address for allocating a place from April 2027. You should be aware that there may not be places available in oversubscribed schools at that time.

How can I find out more about a particular secondary school?

You will find some basic information in this booklet. You can also;

- Visit the school website for the school which you are interested in to view a copy of their prospectus, which will give you more details about the school. School contact details can be found via the link; www.coventry.gov.uk/schoolcontactdetails
- Attend the open evenings. See www.coventry.gov.uk/schooladmissions for latest details, Section 2 of this booklet or ask to visit the school and talk to the head teacher.
- www.gov.uk/government/organisations/ofsted shows details of OFSTED inspections for all schools in the UK.

How can I find out which secondary school my primary school is linked to?

There is a feeder school link between the Catholic primary schools and the Catholic secondary schools in the city. There is also a link between Sidney Stringer Primary Academy and Sidney Stringer Academy. You can find out more about which schools are linked and the level of priority this will give your application by checking the individual schools' policy details in Section 2 of this booklet or by checking the admissions policies for the schools via the link; www.coventry.gov.uk/schoolcontactdetails

Apart from the schools listed above the remaining primary schools within Coventry City have **no** link with any of the secondary schools in the city giving priority for admission in September 2027.

If my child attends Seva Primary School must we apply for a place for Year 7 at Seva Secondary?

The Seva School is an all through school. If your child currently attends the primary school and you wish your child to continue at Seva Secondary, then you do not need to make an application. If you wish for your child to attend a different Secondary School, you will need to make an application by the 31 October 2026 deadline. If your child does not attend Seva Primary and you wish for a place at Seva Secondary, you will need to make an application by the above deadline.

How do I find out which my catchment area school is and how far away I live from my preferred school?

Information regarding catchment areas (which is not always your nearest school) can be found at www.coventry.gov.uk/catchmentareas. If you require details about the distance from your address to a school, please email 11plus@coventry.gov.uk

If I register my child at a school, does this guarantee them a place there?

No. You will only be considered for a place at a Coventry secondary school if you complete an application and include that school as a preference.

Can I write to support my application?

Yes. You have the legal right to explain your reasons for wanting a particular school, including philosophical or religious reasons. However, these reasons will only be taken into account if they are directly linked to the admissions criteria for the schools you have listed on your application. If you are applying for Eden Girls School, Coventry under exceptional medical/social grounds, you should provide supporting evidence direct to the school.

What address should I use on my application form?

See Page 13/14 of this booklet - "Accurate addresses".

I know which school I want my child to go to. Why should I request other schools?

If you only list one school, you cannot be certain that your child will be offered a place there. If you are unsuccessful, we then allocate the nearest school with a place available. This may not be your catchment area school. If other local schools have more applicants than they have places, you run the risk of being allocated a school some distance away. You are strongly recommended therefore to use all your preferences and to include your catchment area school; doing so does not reduce your chance of getting your first preference school. For the September 2026 entry, 233 pupils did not get a requested school on 2 March 2026 and in most cases, this was because they did not request other schools.

If you intend to apply for an independent school, it is also recommended that you apply for 1 or more of the schools discussed in this booklet and request the school on that form.

How do I make an application for Year 9 at WMG Academy?

The WMG Academy admits pupils aged 13 -19 admitting pupils into Year 9. All parent(s)/carer(s), whether they live in Coventry or elsewhere, should apply for a place at the Academy by making an application direct to the Academy on their website. The closing date for applications for the WMG Academy for Young Engineers is **1 November 2026**. All applications received by this date will be classified as "on time" and will be considered first. Parent(s)/carer(s) will be notified of the outcome of their child's application on **8 January 2027** by the Academy. Please see section 2 for more information on the school and section 6 for more details on the process.

What if I do not live in Coventry but want my child to go to a Coventry school?

We treat all applications equally, no matter where you live. However, you must complete an application to the Local Authority you pay your council tax to. Your Local Authority will then contact Coventry who will in turn inform them if they are able to meet

your request. Your Local Authority will then inform you on 1 March 2027 of the outcome of your application. However, if you do not qualify for a Coventry school, your Local Authority will be responsible for making sure your child has a school place. Please make sure you read the admissions policies of Coventry schools in this booklet. Many have policies which include priorities based on catchment areas and distance.

What can I do if I don't get the places I want?

Your allocation letter will explain the reasons why it was not possible to offer you a place at your preferred school and the process for appealing against this decision. Your child's name will also be included on a waiting list(s), which means that we will consider your child for any places that become available after the initial allocation on 1 March 2027

There is no guarantee however, that a place will become available or that you will get one if it does.

Being on a waiting list for one school does not prevent you from visiting others. We would strongly recommend you visit any preferred school. You can decide to accept our offer of a place at another school and still go on a waiting list for any school you have received a refusal for. For all schools in Coventry, places that become available after 1 March 2027 allocation will be offered by applying the oversubscription criteria to everyone on the waiting list. You have the right to appeal against all refusals about secondary school admissions. This means that you have a chance to put your case to an independent appeal panel made up of people who have had no connection at all with the original decision. Going through the appeals process does not guarantee you a place at the school you are appealing for and does not affect your position on any waiting lists for other schools.

How do I get onto the waiting list for a school?

If you are not offered a place at a school you placed as a higher preference to one you have been allocated, then you will automatically be placed on a waiting list for that school/those schools. This will continue until a place can be offered to you, or until the 31 December 2027. After this date, if you wish to remain on the waiting list you may need to re-register your interest in your preferred school with the Admissions Team or the school. Please check the individual schools' details in [Section 2](#) and/or the schools' policies for details of their respective arrangements.

If places become available and there are more children on the waiting list than places, how are the available places allocated?

If there are more children on the list than there are places available, we will allocate the places to those who best meet the school's oversubscription criteria. This will include any late applications. We will use the individual schools' criteria as highlighted in their school admissions policies.

Can I find out where I am on the waiting list for a particular school?

Yes. By contacting the Admissions team, staff will be able to inform you of the position you hold on the list. It is important to remember that you can move up or down this list depending on whether other children come onto or go off the list. After the initial allocation on 1 March 2027, you can request to go on any schools waiting list. This will then be looked at in the second round of allocation in April 2027 along with any late applications received. As this is open to all applicants there can be a considerable amount of change to the waiting lists at the second round of allocation. Information on changes to waiting list positions will only be

available from 12 April 2027. You can come off or go on the list at any stage in the process. For this reason, we can only guarantee the position of your child on the list on the date of communication.

My child already attends the school I want my younger child to go to but they will be in year 12 in September (sixth form) will they still count as a sibling at the school?

Some schools' admissions policies only take account of siblings of compulsory school age i.e. 16, so older siblings who will attend years 12 or 13 from September 2027 will not be counted. Schools who accept sibling links with Sixth form are as follows;

- Barr's Hill School
- Bishop Ullathorne Catholic School
- Blue Coat School and Music College
- Cardinal Wiseman Catholic School
- St John Henry Newman Catholic School

Policies can be found at www.coventry.gov.uk/schoolcontactdetails

How do I find out if I am eligible for help with transport?

The Local Authority can offer assistance for travelling to school, but only for those fitting the qualifying distance and other entitlement criteria. Pupils applying for assistance with travel must live within the Coventry boundary and be of statutory school age i.e. 5–16 years of age. Secondary pupils may be eligible for a bus pass if the distance from their home address to their nearest qualifying school at which places are available is in excess of 3 miles, or between 2-6 miles under low-income rules. In each case this is the shortest walking route between the home address and the school measured by which a child, accompanied as necessary, may walk safely. More information can be found in the Secondary Admissions booklet in Section 4 or at: www.coventry.gov.uk/schoolbuspasses

You can apply online via www.coventry.gov.uk/applyforatravelpass

Can I apply for a place at a secondary school in another Local Authority area?

Yes. If you are a Coventry resident, you can apply for a school place in another authority by completing Coventry's application. You do not need to complete an application form in that authority as well.

However, if your 3 preferences of schools are all outside Coventry, we would strongly advise that at least one of these preferences is a Coventry school in your local area or your catchment area school - this will give you a higher chance of receiving a suitable school place offer on 1 March 2027.

You should make sure that you check the admission policies of schools outside of Coventry by asking other authorities for a copy of their information booklets.

Can I apply for a grammar school?

Yes, you can apply for any grammar schools within your Coventry application for them to be considered. **However**, you **MUST** ensure that you have already registered to sit the 11+ test with the Local Authority in which the Grammar school is situated as the deadline date to register is usually at the end of June the year before your child starts secondary school.

Coventry School Admissions do not administer the 11+ test.

What do I do if I am a member of UK armed forces or a crown servant returning to the UK from a posting abroad?

The School Admissions Code requires that for families of UK armed forces or Crown servants returning from overseas to live in Coventry, admission authorities must allocate a school place in advance of the family arriving in the area, provided their application is accompanied by an official letter declaring a relocation date. Children of UK service personnel and other Crown Servants will be treated as meeting the residency criteria for a catchment area once proof of posting has been provided. Applications must be made by the 31 October national closing date for secondary applications. If there are any difficulties in providing the information required, please contact the school admissions team on 11plus@coventry.gov.uk

I want to apply for a place at a Catholic School. Do I need to attach any extra information?

Yes. If you apply to a Catholic school and your child is a baptised Catholic then you can receive a higher priority based on your faith if you provide a copy of your child's Baptism certificate directly to the school you are requesting by 31 October 2026.

Can I refuse to accept a school offer if it's not one of the schools I wanted/selected?

Unfortunately, we are unable to remove a school your child has been offered unless we can offer an alternative school with places available. You can discuss availability with the school admissions team. There is no guarantee by requesting one of the alternative schools that a place will be offered as this will depend on how many other requests, we receive for these spaces.

Can I have a friend ring on my behalf to talk about my application form?

Due to GDPR regulations the Admissions team can only speak to the parent who made the application unless they provided details of an alternative contact within the application details.

In this section you will have seen the following key information:

- **How to complete the application**
- **Applying for three schools can only help you get a school of your choice**
- **How admission criteria are used to offer places to parents**
- **Which address you should use, and what happens if you use the wrong one**
- **If you change address, whether it will be considered when offering places**
- **What is considered a "late application"**
- **How Special Educational Needs are met in secondary school**

Staff at your child's primary school will be happy to help, or you can email:
11plus@coventry.gov.uk

Section 2

Coventry schools

Coventry has 20 Secondary Academies serving children aged 11 to 18, 1 University Technical College for children aged 13 to 19 and 1 all-through academy for children aged 4-16.

Definitions of school types are provided in [the jargon buster](#).

Each secondary school provides detailed information about its curriculum, organisation, pupil behaviour, progress monitoring, examination results and other matters. You will be able to obtain this information in individual school prospectuses, which are available from the school.

School webpages can be found via
www.coventry.gov.uk/schoolcontactdetails

You can also find information about the schools at
www.coventry.gov.uk/schooladmissions
www.gov.uk/schools-admissions

For locations of schools in Coventry please see the maps on [pages 23](#) and [24](#). Information about the catchment areas of the city's schools is available at www.coventry.gov.uk/catchmentareas and each school that has a catchment or priority area has to include specific details of its area on the school website.

For contact details on the schools including website addresses please see the individual school's pages in this section.

Secondary School Open Evenings 2026

Please note: Schools will keep their own websites up to date with information about visiting the schools in September and October 2026.

Details of Open evenings for each school is indicated on the individual school pages below and can also be seen in the table at:

www.coventry.gov.uk/school-admissions/secondary-school-open-evenings

Academy Secondary Schools and University Technology Colleges in Coventry

Faith Secondary Academies in Coventry

Applying to schools outside Coventry if you are a Coventry resident

Coventry Local Authority acts as a “clearing house” for parents who are a resident in Coventry and wish to express a preference for their child to attend a school outside the Coventry area. You must apply online to Coventry Local Authority. If you are expressing a preference for a school in another authority, Coventry will inform the other authority. They will then inform Coventry Local Authority if they are able to meet the request. On 1 March 2027 it will be the responsibility of Coventry Local Authority to inform parents resident in Coventry of the outcome of their request. If you are thinking of applying for a school place outside Coventry you are strongly advised to contact the other Local Authority to ask for their information booklet.

Coventry City does not have any Grammar schools in its area. To apply for a Grammar school, you will need to include the school within your Coventry application in order for them to be considered. **However**, you **MUST** ensure that you have already registered to sit the 11+ test with the Local Authority in which the Grammar school is situated as the deadline date to register is usually at the end of June the year before your child starts secondary school. Coventry School Admissions do not administer the 11+ test.

Applying for a Coventry school if you live outside Coventry

If you want to apply for a school in Coventry, but live in another Local Authority area, you must apply on your home authority's application form. Your home authority will pass details of your application to us to consider. If you are applying for a school in Coventry you should think about which criterion your application would be considered against.

In this section you will have seen the following key information:

- The types of schools you can apply for in Coventry
- How to apply for schools outside Coventry
- Where you can go to find out more information about individual schools

School details and admission criteria

In the following pages you will find details of the oversubscription criteria used by each school. The full details of the policy arrangements are available at www.coventry.gov.uk/schoolcontactdetails or on each individual school website.

Definitions

All individual policies will contain details of how the school defines the terms used in their policies. This includes key issues such as definitions of home addresses, how distance is measured, who is counted as a brother or sister (siblings), details of how children of staff are defined, and how faith criteria are met.

There are some details which are common to all policies:

- All children with an Education, Health and Care Plan that name the school will be admitted before all other applicants.
- All schools must have looked after children and previously looked after children as the first priority in their oversubscription criteria. This also includes those children who appear to have been in state care outside of England and ceased to be in state care as a result of being adopted.
- All schools must have waiting lists which operate until at least the 31 December.
- They also must provide the right of appeal when refusing a place at the school.
- They also must describe how they will deal with applications where they can only separate them by using “tie breakers”
- They must describe how they will deal with applications for admission of children outside their normal age group.
- They must describe how they will deal with applications from service families

Schools within Coventry which require an additional Supplementary Information Form (SIF) to be completed and returned direct to the school by the National Closing date (31 October), are:

- Blue Coat School and Music College
- Seva School

Specific details are contained in each individual school policy.

Where schools have a local catchment area (sometimes also called a priority area) details of these can be provided at www.coventry.gov.uk/catchmentareas and /or direct from schools.

If you do not have access to the website and require more information on any school policy then please contact Admissions staff on [024 7697 5445](tel:02476975445).

Admissions Authority

Barr's Hill School is part of The Futures Trust, a multi-academy trust.

2027/2028 Oversubscription Criteria

If there are more requests for a school place than there are places available within the schools admission number, places will be allocated in accordance with the following criteria and in the order as shown below:

1. Children who, at the time of admission, are in the care of a local authority or are provided with accommodation by the authority (looked after children) and all who were previously looked after but ceased to be so because they were adopted, or became subject to a child arrangements order or a special guardianship order, including those children who appear (to the admission authority) to have been in state care outside of England and ceased to be in state care as a result of being adopted.
A looked-after child is defined in Section 22 of the Children Act 1989
2. Children who live in the catchment area served by the school, who have a brother or sister attending the school provided that the brother or sister will continue to attend that school the following year.
The definition of brother or sister includes stepbrothers, stepsisters, half-brothers, half-sisters and adopted brothers and sisters living at the same permanent address
3. Other children who live in the catchment area served by the school
4. Children living outside the catchment area with a brother or sister who currently attends the school, provided that the brother or sister will continue to attend that school the following year.
5. Children by reference to the distance to the school

For full policy details, click the link below -

https://www.coventry.gov.uk/downloads/download/1807/barrs_hill

Brothers and Sisters; Brothers and sisters are those children who live at the same address and either have one or both natural parents in common; are related by a parent's marriage or whose parents are living as partners. We include children who are adopted within our definition of brothers and sisters. However, where schools are oversubscribed, no guarantee can be given that places will be available for brothers and sisters.

Distance; If it is not possible to meet all of the requests in any one of the categories described above, the Governors will prioritise the requests within that category by reference to distance. A straight-line measurement will be made, using a computerised mapping system, from the centre of the child's residence - to the centre of the school site. The address used must be the child's permanent home address. The shortest measurement will have the highest priority. Where the final place in a year group can be taken by two or more children living an equal distance from the school, the Governors will select by drawing lots. This process will be supervised by a person independent of the school.

Home address: A pupil's home address is considered to be a residential property that is the child's only or main residence. At the time places are allocated, proof of permanent residence at the property concerned may be required. Where parents have shared responsibility for a child and the child lives for part of the week with each parent, the definition of a child's residence will be where they reside the majority of the time (3 nights or more) between Monday to Friday. Where documentary evidence can substantiate to the satisfaction of the Governors that care is split equally between parents at two homes, parents must name the address to be used for the purpose of allocating a school place. **If a school is offered on the basis of an address that is subsequently found to be different from a child's normal and permanent home address, then that place is liable to withdrawal.**

Waiting Lists After the initial allocation of places on **1 March 2027**, the Governors in conjunction with the Local Authority will establish a waiting list and this will operate up until the end of the Autumn term (31 December) parents who wish for their children to continue to be considered for a place at Barr's Hill School after the end of the autumn terms must register their interest via the Local Authority by completing a Secondary School Transfer Application Form. A new waiting list will be produced at the start of the spring term which will then operate until the end of the academic year.

School Appeals: Parents who wish to appeal against the decision of the Governors to refuse their child a place in the school may apply to the School Appeals Team via

<https://www.coventry.gov.uk/school-admissions/school-appeals>

Previous year's allocation information 2024-2026

Academic Year	PAN	Total number of requests received	SEN	Public Care	Catchment area	Siblings	Distance	Last Distance Allocated	Total Allocated
2026	180	342	8	2	155	15	0	1.83	180
2025	180	364	7	2	133	27	11	0.651	180
2024	180	272	11	3	113	32	21	0.891	180

In 2024 and 2025 the school was able to admit up to criteria 5, however this was not possible for 2026 and there is no guarantee that a similar situation will occur for admission in September 2027.

**Open Evening/Morning - Please check
school website for any updates**

**Thursday 24 September 2026 (5pm –
7pm)**

Admissions Authority

Bishop Ullathorne Catholic School is an
Academy in the Holy Cross Multi Academy
Company.

**Baptismal Certificates MUST be submitted
with the application for any child who is
Baptised Catholic**

2027/2028 Oversubscription Criteria

Where there are more applications for places than the number of places available, places will be offered according to the following order of priority. If there is oversubscription within a category, the Local Governing Body will give priority firstly to children who will have a brother or sister attending Bishop Ullathorne Catholic School at the time of admission and then secondly to children living closest to the school determined by the shortest distance.

1. Baptised Catholic children who are looked after or previously looked after
2. Baptised Catholic children of staff employed to work at Bishop Ullathorne Catholic School
3. Baptised Catholic children currently attending a named feeder school (see Note below)
4. Baptised children currently living within a Parish feeder area
5. Other Baptised Catholic children
6. Non-Catholic children who are looked after or previously looked after
7. Non-Catholic children of staff employed to work at Bishop Ullathorne Catholic School
8. Non-Catholic children currently attending a named feeder school (see note below)
9. Other Non-Catholic children.

Note: The named feeder schools for Bishop Ullathorne Catholic School are: All Souls Catholic Primary, Our Lady of the Assumption Catholic Primary, St Anne's Catholic Primary, St John Vianney Catholic Primary, St Mary & St Benedict Catholic Primary and St Thomas More Catholic Primary.

For full details on the admissions policy, click on the link below -

[http://www.coventry.gov.uk/downloads/download/1815/
bishop_ullathorne_catholic_secondary](http://www.coventry.gov.uk/downloads/download/1815/bishop_ullathorne_catholic_secondary)

Baptismal Certificates; In all categories, for a child to be considered as Catholic, evidence of Catholic Baptism or Reception into the Church will be required. For a definition of a Baptised Catholic, see the school policy. Those who face difficulties in producing written evidence of Catholic Baptism or Reception into the Church should contact their Parish Priest. Parents making an application for a Catholic child will need to submit a copy of the child's Baptismal Certificate. **This should be returned directly to the school.** If you do not provide a Baptismal Certificate by the closing date, this is likely to affect the criteria that your child is placed into, which is likely to affect your child's chance of being offered a place at this school.

Brothers and Sisters; For all applicants the definition of a brother or sister is: • A brother or sister sharing the same parents • A half-brother or half-sister, where two children share one common parent • A step-brother or step-sister, where two children are related by a parents' marriage or civil partnership, or where they are unrelated but their parents are living as partners. • Adopted or fostered children. The children must be living permanently in the same household

Staff: Priority will be given to children of staff employed to work at Bishop Ullathorne Catholic School either on a contract of employment with the Multi-Academy Company or who are employed by a third party or another organisation, but they work wholly or mainly at Bishop Ullathorne.

Distance; Distances are calculated on the basis of a straight-line measurement from the centre of the child's home address to the centre of the school site. The Local Authority calculates these measurements on behalf of the school using a computerised mapping system. Ordnance Survey supplies the co-ordinates that are used to plot a child's home address and the address of the school.

School Appeals: Parents who wish to appeal against the decision of the Local Governing Body to refuse their child a place in the school should make that appeal request in writing to the Chair of the Local Governing Body at the school address. Appeals will be heard by an independent panel.

Waiting Lists; In addition to their right to appeal, children who have not been offered a place at Bishop Ullathorne Catholic School but were offered a school that was ranked as a lower preference on their application form will be added to a waiting list. The waiting list will be maintained until 31st December 2027 and will then be discarded. Parents may apply to Bishop Ullathorne Catholic School for their child's name to remain on the waiting list until the end of the academic year 2028 when it will be discarded. A child's position on a waiting list is not fixed. When a new child joins the waiting list, all applicants on that waiting list will be re-ranked to ensure that the list is always maintained in oversubscription criteria order. This means that a child's position on the waiting list could go up or down during the time that it is on the list.

Previous year's allocation information 2024-2026

Academic year	PAN	Total number of requests received	SEN and 1st	2nd	3rd	4th	5th	6th	7th	Last distance allocated	Total Allocated
2026	210	222	2	95	19	44	0	22	28	3.679	210
2025	210	239	5	73	18	48	0	44	21	3.183	210
2024	180	241	3	87	9	48	1	32		2.675	180

*For 2025 and 2026 entry Bishop Ullathorne School increased their PAN from 180 to 210. In these years only some places were offered to non-catholic children under criteria 7. There is no guarantee that a similar situation will occur for admission in September 2027

Thursday 17 September 2026 (5.30 – 7.30pm)

Admissions Authority

Coventry Blue Coat Church of England School and Music College is an academy and part of the Inspire Education Trust.

Please note: Those wishing to apply for a place based on their faith must complete the supplementary information form which is available in the link below and return it to the school by 31 October 2026.

For full details on admissions policy, click the link below -

https://www.coventry.gov.uk/downloads/download/1818/blue_coat_church_of_england_school

2027/2028 Oversubscription Criteria

If there are applications from non-faith applicants and insufficient faith applicants, then the Board of Directors will admit such non-faith applicants up to the published admission number

If there are more applications received than there are places available, places will be allocated in accordance with the following criteria and in the order shown:

1. Applications from Looked After Children and previously Looked After Children
2. Applications from siblings of children currently in the school.
3. Applications from any children from families who can demonstrate frequent participation by the child and either of their parents or guardians (see definitions), in the life of a Church of England worshipping community.
4. Children of all staff who are employed by the Inspire Education Trust to work at Blue Coat School and have been employed continuously for a period of at least two years for the purpose of working in the Trust– see definitions
5. Applications from any children from families who can demonstrate frequent participation by the child and their parents or family members (see definitions) in the life of “another Christian worshipping community” recognised by the governing body.
6. Applications from any children from families who can demonstrate frequent participation by the child and their parents or family members (see definitions) in the life of a recognised place of worship for other major world faiths as defined in the school’s admissions policy.
7. All other applications.

Having applied the above priority order, if it is not possible to meet all application requests in any one of the categories defined above, applications within that category will be further prioritised by reference to distance between the school and the home address. Where the final available place in a year group can be taken by two or more children living an equal distance from the school random allocation will be used.

Definitions of **Another Christian Worshipping Community** and **Another Faith Community** are included in the policy and SIF.

Staff; Staff who are employed by the Inspire Education Trust to work at Blue Coat School and have been employed continuously for a period of at least two years for the purpose of working in the Trust as follows: • All full time teaching staff • All full time support staff – defined as those on 37 weeks and above contracts • All part time teaching staff with a 45% and above timetable • All part time support staff who work at least 15 hours per week for 37 weeks or more. The two-year qualification period may be waived if a post is hard to fill and has remained vacant for six months or longer. The definition does not include contract staff. If a service has been ‘in house’ and is subsequently ‘contracted out’ children of staff will no longer be eligible for priority admission under this criterion. The definition does not include peripatetic staff.

Looked After Children; A “looked after child” has the same meaning as in section 22(1) of the Children Act 1989, and means any child who is (a) in the care of the local authority or (b) being provided with accommodation by them in the exercise of their social services functions (e.g. children with foster parents) at the time of making the application to the school. A “previously looked after child” is a child who was looked after, but ceased to be so because he or she was adopted or became subject to a child arrangements order or special guardianship order and includes those children who appear (to the Board of Directors) to have been in state care outside of England and ceased to be in state care as a result of being adopted.

Siblings: Children who, at the time of application have a sibling who will be attending the school in Year 7 to Year 13. This priority applies equally to brothers, sisters, stepbrothers, stepsisters, half-brothers, half-sisters and adopted brothers and sisters, provided that they are living at the same address as the applicant child. Any place offered may be withdrawn if the sibling already attending the school leaves the school before the applicant attends.

Waiting Lists; Applications for those who were not offered a place, because all available places have been allocated to those having a higher priority according to the over-subscription criteria, or who have applied late, will automatically have their name placed on the waiting list for that year group. For Year 7 applications (September start), the waiting list will remain in operation until 31st December. At this point, parents wanting their child to remain on the waiting list, must complete an In-Year application form. In-Year applications will remain on the waiting list until the end of the academic year for which admission is sought and will then be discarded. Parents who have not previously applied for a place may also apply to have their child’s name included on the waiting list. When a place becomes available those on the waiting list for that year group at that time, including each added child, will be ranked according to the over subscription criteria, and the place offered to the highest priority application.

Right of Appeal, Parents who wish to appeal against the decision not to admit their child should contact the school for an appeal form. The completed form, stating the grounds for the appeal, should be returned to the Clerk to the Independent Admission Appeals Panel, whose address appears on the form. The independent admission appeals panel is appointed by Coventry Diocesan Board of Education. It is the policy of the governing body not to consider repeat applications or appeals within the same academic year, unless there has been a material change of circumstances relevant to the application or appeal.

Admissions Authority

Caludon Castle is an academy within the Castle Phoenix Trust which is a multi-academy trust.

2027/2028 Oversubscription Criteria

If there are more applications for a place than there are places available within the Academy's admission number, places will be allocated in accordance with the following criteria and in the order shown

1. Children who, at the time of admission, are in the care of a local authority or are provided with accommodation by the authority (looked after children). Also children who were previously looked after but ceased to be so because they were adopted, or became subject to a child arrangements order or a special guardianship order. A looked after child is defined in Section 22 of the Children Act 1989
2. Children who live in the catchment area served by the Academy, who have a brother or sister attending the Academy provided that the brother or sister will be of compulsory school age and will continue to attend the Academy the following year.
3. Other children who live in the catchment area served by the Academy.
4. Children living outside the catchment area with a brother or sister who currently attends the Academy, provided that the brother or sister will be of compulsory school age and will continue to attend the Academy the following year.
5. Children of staff who have been employed at the school for two or more years at the time of application for the school place; or recruited to fill a vacant post for which there is a demonstrable skill shortage.
6. Children by reference to the distance their home is from the Academy in accordance with the definitions section.

For full policy details, click the link below -

https://www.coventry.gov.uk/downloads/download/1808/caludon_castle

Brothers and Sisters; The definition of brother or sister includes stepbrothers, stepsisters, half-brothers, half-sisters and adopted brothers and sisters living at the same permanent address. Brothers and sisters are required to be of compulsory school age within the oversubscription criteria. This means they must be attending the Academy in Years 7 to 11 at the time that the applicant would be joining the Academy.

Distance; A straight line measurement using a computerised mapping system, from the centre of the child's residence to the centre of the school site. The address used must be the child's permanent home address. The shortest measurement will have the highest priority. Where the final place in a year group can be taken by two or more children living an equal distance from the Academy as described above, the admissions authority will select by drawing lots.

Home Address: A pupil's home address is considered to be a residential property that is the child's only or main residence. At the time places are allocated, proof of permanent residence at the property concerned may be required. Where documentary evidence can substantiate to the satisfaction of the Governors that care is split equally between parents at two homes, parents must name the address to be used for the purpose of allocating a school place. If a place is offered on the basis of an address that is subsequently found to be different from a child's normal and permanent home address, then that place is liable to withdrawal.

Waiting Lists; After the initial allocation of places, the admission authority in conjunction with the Local Authority will establish a waiting list and this will operate up until the end of the Autumn term (31 December). Parents who wish for their child to continue to be considered for a place after the end of the autumn term must register their interest via the Local Authority by completing a Secondary School Transfer Application Form. A new waiting list will be produced at the start of the spring term which will then operate until the end of the academic year. Applications for inclusion on the waiting list will be ranked according to the school's oversubscription criteria as described above. When a place becomes available the school will contact the first person on the list for the relevant year group

Appeals: If you are unsuccessful in obtaining a place, parents have the right of appeal to an independent panel who have the authority to exceed the Academy's admission number where appropriate.

Please address your appeal to Caludon Castle Appeal, CCS-Appeals@castlephoenixtrust.org.uk or in writing to Caludon Castle Appeal, Caludon Castle School, Axholme Road, Coventry, CV2 5BD.

Previous year's allocation information 2024-2026

Academic Year	PAN	Total number of requests received	SEN	Public Care	Catchment area	Siblings	Distance	Last Distance Allocated	Total Allocated
2026	240	240	7	1	134	18	80	1.297	240
2025	240	293	1	3	162	20	54	1.205	240
2024	270*	322	6	4	177	15	68	1.137	270

In each year the school was able to admit up to criteria 5 (distance from the school), but there is no guarantee that a similar situation will occur for admission in September 2027.

Thursday 17 September 2026 –

Session 1: 5:30pm

Session 2: 6:15pm

***The school have agreed to admit an
extra 30 children due to the need for
places within the city. This takes the PAN
to 270**

Admissions Authority

Cardinal Wiseman Catholic School is part
of the Romero Catholic Academy.

**Baptismal Certificates MUST be
submitted with the application for any
child who is Baptised Catholic**

2027/2028 Oversubscription Criteria

Where there are more applications for places than the number of places available, places will be offered according to the following order of priority. If there is oversubscription within a category, the Board of Directors will give priority firstly to children who will have a brother or sister attending Cardinal Wiseman Catholic School at the time of admission and then secondly to children living closest to the school determined by the shortest distance.

1. Baptised Catholic children who are looked after or previously looked after.
2. Baptised Catholic children currently attending a named feeder school (see Note below) (see definition regarding siblings)
3. Baptised Catholic children who live in the feeder school or academy parish area. (see note below) (see definition regarding siblings)
4. Other Baptised Catholic children. (see definition regarding siblings)
5. Non-Catholic children who are looked after or previously looked after.
6. Non-Catholic children currently attending a named feeder school (see Note below) (see definition regarding siblings)
7. Other Non-Catholic children.

Note : The named feeder schools and appropriate parishes for Cardinal Wiseman Catholic School are:

Corpus Christi Catholic Primary School - Corpus Christi Parish
Good Shepherd Catholic Primary School - St Elizabeth's Parish
Sacred Heart Catholic Primary School - Sacred Heart Parish
St Gregory's Catholic Primary School - St John Fisher Parish
St John Fisher Catholic Primary School - St John Fisher Parish
St Patrick's Catholic Primary School - St Patrick's Parish
SS Peter & Paul Catholic Primary School - St Patrick's Parish

For full details on admissions policy, click the link below -

https://www.coventry.gov.uk/downloads/download/1817/cardinal_wiseman_catholic_secondary

Baptismal Certificates; In all categories, for a child to be considered as Catholic, evidence of Catholic Baptism or Reception into the Church will be required. Those who face difficulties in producing written evidence of Catholic Baptism or Reception into the Church should contact their Parish Priest. Parents making an application for a Catholic child will need to submit a copy of the child's Baptismal Certificate. **This should be returned directly to the school.** If you do not provide a Baptismal Certificate by the closing date, this is likely to affect the criteria that your child is placed into, which is likely to affect your child's chance of being offered a place at this school.

Brothers and Sisters; For all applicants the definition of a brother or sister is: · A brother or sister sharing the same parents · A half-brother or half-sister, where two children share one common parent · A step-brother or step-sister, where two children are related by a parents' marriage or civil partnership, or where they are unrelated but their parents are living as partners. · Adopted or fostered children. The children must be living permanently in the same household.

Distance; Distances are calculated on the basis of a straight-line measurement from the centre of the child's home address to the centre of the school site. The Local Authority calculates these measurements on behalf of the school using a computerised mapping system. Ordnance Survey supplies the co-ordinates that are used to plot a child's home address and the address of the school.

School Appeals: Parents who wish to appeal against the decision of the Local Governing Body to refuse their child a place in the school should make that appeal request in writing to the Chair of the Local Governing Body at the school address. Appeals will be heard by an independent panel.

Waiting Lists; In addition to their right to appeal, children who have not been offered a place at Cardinal Wiseman Catholic School but were offered a school that was ranked as a lower preference on their application form will be added to a waiting list. The waiting list will be maintained until the last day of the summer term 2028 and will then be discarded. A child's position on a waiting list is not fixed. When a new child joins the waiting list, all applicants on that waiting list will be re-ranked to ensure that the list is always maintained in oversubscription criteria order. This means that a child's position on the waiting list could go up or down during the time that it is on the list. Any late applications accepted will be added to the waiting list in accordance with the oversubscription criteria.

Previous year's allocation information 2024-2026

Academic Year	PAN	Total number of requests received	1 st	2nd	3rd	4th	5th	6th	7th	Last distance allocated	Total Allocated

Admissions Authority

Coundon Court is an academy and therefore its own admissions authority.

For full policy details, click the link below -

https://www.coventry.gov.uk/downloads/download/1809/coundon_court

2027/2028 Oversubscription Criteria

If there are more requests for a school place than there are places available within the schools admission number, places will be allocated in accordance with the following criteria and in the order as shown below:

Criteria 1: Children who, at the time of admission, are in the care of a local authority or are provided with accommodation by the authority (looked after children). Also children who were previously looked after but ceased to be so because they were adopted or became subject to a child arrangements order or a special guardianship order and all previously looked after children, including those children who appear (to the admission authority) to have been in state care outside of England and ceased to be in state care as a result of being adopted. *A looked after child is defined in Section 22 of the Children Act 1989*

Criteria 2: Children of teaching and non-teaching staff who have been directly employed by the school for two or more years at the time of application for the school place; or recruited to fill a vacant post for which there is a demonstrable skill shortage.

Criteria 3: Children who live in the catchment area served by Coundon Court, who have a brother or sister attending the school provided that the brother or sister will be of compulsory school age and will continue to attend the following year.

Criteria 4: Other children who live in the catchment area served by the school.

Criteria 5: Children living outside the catchment area with a brother or sister who currently attends Coundon Court, provided that the brother or sister will be of compulsory school age and will continue to attend the following year.

Criteria 6: Children by reference to the distance to Coundon Court.

Address; A student's home address is considered to be a residential property that is the child's only or main residence. At the time places are allocated, proof of permanent residence at the property concerned will be confirmed with each child's primary school. In any case of dispute, parents will be asked to provide appropriate documentary evidence to confirm address and residency. Where documentary evidence can substantiate, to the satisfaction of the Governors, that care is split equally between parents at two homes, parents must name the address to be used for the purpose of allocating a school place.

Distance; If it is not possible to meet all of the requests in any one of the categories described above, the Governors will prioritise the requests within that category by reference to distance. A straight-line measurement will be made, using a computerised mapping system, from the centre of the child's residence - to the centre of the school site. The address used must be the child's permanent home address. The shortest measurement will have the highest priority. Where the final place in a year group can be taken by two or more children living an equal distance from the school, the Governors will select by drawing lots.

Brothers and Sisters; The definition of brother or sister includes stepbrothers, stepsisters, half-brothers, half-sisters and adopted brothers and sisters living at the same permanent address. They are required to be of compulsory school age within the oversubscription criteria. This means they must be attending in Years 7 to 11 at the time that the applicant would be joining the school.

Waiting Lists; Where, in any year, the school receives more applications for places than there are places available a waiting list will be maintained from 1 September to 31 December of the year to which the allocation applies. It will be open to any parent to ask for his or her child's name to be placed on the waiting list, following an unsuccessful application. Parents who wish for their children to continue to be considered for any places that become available after the end of the autumn term must re - register their interest with the school. Children's position on the waiting lists will be determined solely in accordance with the oversubscription criteria set out in above. Where places become vacant they will be allocated to children on the waiting list in accordance with the published oversubscription criteria.

School Appeals; Parents who wish to appeal against the fact that their child has not been allocated a place at the school must apply to the School Organisation (Admissions) section who will arrange for appeals to be registered. An independent panel will hear appeals. Appeal applications are made through the following link: www.coventry.gov.uk/schoolappeals

Previous year's allocation information 2024-2026

Admissions Authority

Eden Girls' School Coventry is a Muslim faith school and is part of Star Academies multi academy trust.

If applying on the basis of a parent being a staff member please provide full details on the application form.

For full details on admissions policy, click the link below –

https://www.coventry.gov.uk/downloads/download/2802/eden_girls_school

2027/2028 Oversubscription Criteria

If the school is oversubscribed, children will be admitted in accordance with the oversubscription criteria listed below, once all children with an education, health and care plan, naming the school are admitted.

- 1) Looked after children or a child who was previously looked after, but immediately after being looked after became subject to an adoption, child arrangement order, or special guardianship order or those children who appear to the school to have been in state care outside of England and ceased to be in state care as a result of being adopted. **Please see note below**
- 2) Children of staff employed at Eden Girls' School for 2 or more years at the time at which the application for admission is made, and / or the member of staff has been recruited to fill a post where there is a demonstrable skill shortage
- 3) Children with proven, exceptionally strong special, medical or social circumstances, which are directly relevant to attendance at Eden Girls' School. Parents are responsible for providing the professional supporting evidence to the school by the closing date from a consultant, doctor, psychologist, social worker or from another relevant independent professional
- 4) Children with a sibling(s) attending Eden Girls' School in Years 7 to 11, at the time of application and offer of a place
- 5) A maximum of 10 places to children resident in the CV10 and CV11 postcode areas of Nuneaton.
- 6) A maximum of 18 places to children resident between 2 and 4 miles of school.
- 7) All other children who live nearest from home to school including those refused admission under criteria 5 & 6

Coventry City Council measures the distance in a straight line from the centre of the home to the centre of the school's site.

Note: A child is regarded as having been in state care in a place outside of England if they were accommodated by a public authority, a religious organisation or any other provider of care whose sole purpose is to benefit society (see Section 23ZZA(8) of the Children's Act 1989 (inserted by Section 4 of the Children and Social Work Act 2017). This includes children who were adopted under the Adoption Act 1976 (see Section 12 adoption orders) and children who were adopted under the Adoption and Children Act 2002 (see Section 46 adoption orders).

Siblings; Siblings refers to full, half, adopted, step, foster sisters or the child of the parent's partner, and in every case, the child must be living in the same family unit at the same address.

Special, Medical or Social Circumstances; For a place to be offered under this criterion, the information must confirm the exceptional medical or social need and demonstrate how Eden School is the only school that can meet the defined needs of the child. In all cases the medical or social need must be permanent or long term. For medical conditions affecting mobility, consideration will only be given if Eden School is nearest to the child's home. It is the parent's responsibility to provide the information directly to the school. Failure to provide the supporting information by the closing date may result in the application not being considered under this criterion.

Waiting Lists; Children refused admission for the school's Year 7 group each September, will automatically be included on the waiting list for the school, where the school is a higher preference than the school where your child was allocated a place. Parents who wish their child's details to be included on the waiting list for the school, even though a place has been allocated at a higher preference school should contact Coventry City Council's School Admissions Team. The position on the waiting list is determined by the priority order of the admission policy and nothing else. When the number of children admitted to the school drops below the published admission number, a place is offered to the child who is at the top of the waiting list. The position of your child on the waiting list may change. They may move up or down each time a child is added or removed, or when the change in circumstances of the child requires them to be considered against a different priority order of the school's oversubscription criteria. Looked after children, previously looked after children, and those allocated a place at the school in accordance with the Fair Access Protocol must take precedence over those on the waiting list. The school maintains the waiting list in accordance with the school's oversubscription criteria, until 31st December in the academic year of Year 7 admission. Parents should complete an in-year application form thereafter if they wish their child's details to be kept on the waiting list for the remainder of the academic year. For the in-year waiting list, parents must complete a new application form each year at the beginning of the new academic year.

School Appeals: Parents have a legal right of appeal to an independent appeal panel against the decision not to offer admission. Education appeals Dotcom Ltd administers the appeals process on behalf of the school. Parents should access the appeal form from www.edap.link/myschoolappeal

Previous year's allocation information 2024-2026

Academic Year	PAN	Total number of requests	SEN/LAC	Staff	Special/ Medical/ Social	Siblings	CV10/CV11 (10)	2-4 Miles (18)	Distance	Last Place Allocated	Total

Ernesford Grange Community Academy (EGCA) is part of the Sidney Stringer multi-academy trust.

For full details, click the link below -

https://www.coventry.gov.uk/downloads/download/1810/ernesford_grange_secondary

2027/2028 Oversubscription Criteria

If there are more requests for the school than there are places available within the school's admission number, places will be allocated in accordance with the following criteria and in the order shown below:

1, Children who, at the time of admission, are in the care of a local authority or are provided with accommodation by the authority (looked after children). Also children who were previously looked after but ceased to be so because they were adopted, or became subject to a residence order or a special guardianship order and all previously looked after children, including those children who appear (to the admission authority) to have been in state care outside England and ceased to be in state care as a result of being adopted. A *looked-after child is defined in Section 22 of the Children Act 1989.*

2, Children of staff who work at the school and spend the majority of their time working at the school, with two years' service at the time of application. Staff refers to any person employed by the Governing body of the school, or if employed by another organisation who works wholly or mainly in the school. They must meet the following criteria • All full time teaching staff • All full time support staff – defined as those on 37 week and above contract • All part time teaching staff with a 45% and above timetable • All part time support staff who work at least 15 hours per week for 37 weeks or more The definition does not include contract or peripatetic staff

3, Children who live in the catchment area served by the school, who have a brother or sister attending the school provided that the brother or sister is of compulsory school age and will continue to attend Ernesford Grange Academy the following year. The definition of brother or sister includes stepbrothers, stepsisters, half-brothers, half-sisters and adopted brothers and sisters living at the same permanent address.

4, Other children who live in the catchment area served by the school.

5, Children living outside the catchment area with a brother or sister who currently attends the school, provided that the brother or sister is of compulsory school age and will continue to attend Ernesford Grange Academy the following year.

6, Children by reference to the distance to the school.

Compulsory School Age; Brothers and sisters are required to be of compulsory school age within the oversubscription criteria. This means they must be attending in Years 7 to 11 at the time that the applicant would be joining the school.

Tie Breaker; If it is not possible to meet all of the requests in any one of the categories described above, requests will be prioritised within that category by reference to distance. A straight-line measurement will be made, using Coventry City Council's computerised mapping system, from the centre of the child's residence to the centre of the preferred school site. The address used must be the child's permanent home address. The shortest measurement will have the highest priority. Where the final place in a year group can be taken by two or more children living an equal distance from the school, the decision will be made by the drawing of lots.

Home address: A student's home address is considered to be a residential property that is the child's only or main residence. At the time places are allocated, proof of permanent residence at the property concerned may be required. Where documentary evidence can substantiate to the satisfaction of the Governing Body that care is split equally between parents at two homes, parents must name the address to be used for the purpose of allocating a school place.

Waiting Lists; After the initial allocation of places the Governors in conjunction with the Local Authority will establish a waiting list and this will operate up until the end of the Autumn Term, 31 December. Parents who wish for their children to continue to be considered for any places after the end of the Autumn Term must register their interest for the school via the Local Authority. Waiting lists are kept in admissions criteria order and this is the basis for deciding where a child is placed on a list. The date of application does not affect the position on a waiting list.

Appeals: All applicants refused a place have a right of appeal to an independent appeal panel constituted and operated in accordance with the School Admission Appeals Code. Appellants should contact Mrs D Last on 024 7645 3121 or e-mail dlast@egacademy.org.uk for information on how to appeal. Information on the timetable for the appeals process is on our website.

Previous year's allocation information 2024-2026

Academic Year	PAN	Total number of requests received	SEN	Public Care	Staff	Catchment area	Siblings	Distance	Last Distance Allocated	Total Allocated
2026	210	243	7		2	175	14	12	0.758	210
2025	210	236	5	1	3	164	10	27	3.64	210
2024	210	240	6	0	4	170	15	15	0.608	210

Admissions Authority

Finham Park 2 is an Academy and part of The Finham Park Educational Trust.

Please note that the admissions policy for the academy aims to ensure that no more than 50% of pupils live within 1 mile of the school.

2027/2028 Oversubscription Criteria

If there are more requests for the school than there are places available within the school's admission number, priority for admission will be given to those children who meet the criteria set out below, in priority order.

1. Children who, at the time of admission, are in care of a local authority or are provided with accommodation by the authority (looked after children). Also children who were previously looked after, including those children who appear (to the admissions authority) to have been in state care outside of England and ceased to be in state care as a result of being adopted, or became subject to a child arrangements order, or a residence order or a special guardianship order. *A looked-after child is defined in Section 22 of the Children Act 1989.*

2. Children who have a sibling attending the school provided that the sibling is in year 7-10 and will continue to attend Finham Park2 the following academic year.

3. The Children of all staff who have been continuously employed by the school for a period of at least two years for the purpose of working in the school as follows: • All full-time teaching staff • All full-time support staff – defined as those on 37 week and above contract • All part time teaching staff with a 45% and above timetable • All part time support staff who work at least 15 hours per week for 37 weeks or more The two-year qualification period may be waived if a post is hard to fill.

The definition does not include contract staff. If a service has been 'in house' and is subsequently 'contracted out' children of staff will no longer be eligible for priority admission under this criterion. The definition does not include peripatetic staff

4. Up to 50% of remaining places (rounded up to the nearest whole number) will be offered to children who live in a 1-mile radius of the school (ranked by distance to the school).

5. Places will be offered to children who live from a distance of 1-mile up to 2-mile radius of the school (ranked by distance to the school).

6. All other children

For full details, click the link below -

https://www.coventry.gov.uk/downloads/download/3633/finham_park_2

Siblings; By sibling we mean: • Children living at the same address who have one or both natural parents in common • Children living at the same address who are related by a parent's marriage • Children living at the same address whose parents are living as partners at this address • We include siblings who are adopted within our definition of sibling • We do not include 'cousins' within our definition of sibling • However, where the school is oversubscribed, no guarantee can be given that places will be available for brothers and sisters. Applications with each year group made on behalf of twins or other multiple births – where the last child to be offered a place is one of multiple birth siblings, the school will admit over the published admission number (PAN) in order to support the family.

Distance; A straight-line measurement will be made, using a computerised mapping system, from the centre of the child's residence – to the centre of the school site. The address used must be the child's permanent home address. The shortest measurement will have the highest priority. Where the final place in a year group can be taken by two or more children living an equal distance from the school, the Admissions Panel will select by drawing lots. This process will be independently verified.

Address: A student's home address is considered to be a residential property that is the child's only or main residence. At the time places are allocated, proof of permanent residence at the property concerned may be required. Where documentary evidence can substantiate to the satisfaction of the Governing Board that care is split equally between parents/carers at two homes, parents/carers must name the address to be used for the purpose of allocating a school place. **If a school place is offered based on an address that is subsequently found to be different from a child's normal or permanent home address, then that place is liable to withdrawal.**

Waiting Lists; The governors cannot always offer places at the school. If this is the case, the child's name will be automatically placed on the school waiting list. If places become available, the governors will allocate the places in accordance with the oversubscription criteria. Applicants may therefore move both up and down the list depending on whether others joining the list meet a higher ranked oversubscription criterion. Waiting Lists will remain in operation until 31 December. Thereafter, parents will be required to register their interest in the preferred school at the beginning of each term, otherwise they will be deemed to have withdrawn their interest.

School Appeals: Appeals are heard by an independent panel. If you want to appeal for a place at Finham Park 2 you should write to Mrs D Barnacle at the school or email: admissions@finhampark2.co.uk

Previous year's allocation information 2024-2026

Academic Year	PAN	Total number of requests received	SEN/ Public care	C2	C3	C4	C5	C6	Last Distance Allocated	Total Allocated
2026	180	191	5	40	3	66	53	13	3.76 (C6)	180
2025	180	181	11	31	1	65	57	15	5.84 (C6)	180
2024	180*	209	6	27	2	73	69	3	0.853 (C4) 1.989 (C5) 0.877 (C6)	180

Please note that the policy means that only limited numbers of places are offered to those living less than 1 mile from the school (criteria 4). The last place allocated distances for each criteria show how close you would have needed to live in previous years to be offered a place. This means that if you live further away your chances of gaining a place will be reduced. In 2025 and 2026 all those who applied under criteria 4 and 5 were offered places. **There is no guarantee that a similar situation will occur for admission in September 2027.**

Admissions Authority

Finham Park School is the lead Academy within the Finham multi-academy trust.

2027/2028 Oversubscription Criteria

If there are more requests for a school place than there are places available within the school's admission number, places will be allocated in accordance with the following criteria and in the order shown below:

1. Children who, at the time of admission, are in care of a local authority or are provided with accommodation by the authority (looked after children). Also children who were previously looked after but ceased to be so because they were adopted, or became subject to child arrangements order or a special guardianship order and all previously looked after children, including those children who appear (to the admission authority) to have been in state care outside of England and ceased to be in state care as a result of being adopted *A looked-after child is defined in Section 22 of the Children Act 1989.*
2. Children who live inside or outside the catchment area served by the school, who have a brother or sister attending the school provided that the sibling is in year 7-10 and will continue to attend Finham Park School the following year.
3. Children of all staff who have been continuously employed by the school for a period of at least two years for the purpose of working in the school as follows:
 - All full time teaching staff
 - All full time support staff – defined as those on 37 week and above contract
 - All part time teaching staff with a 45% and above timetable
 - All part time support staff who work at least 15 hours per week for 37 weeks or more. The two year qualification period may be waived if a post is hard to fill. *The definition does not include contract staff. If a service has been 'in house' and is subsequently 'contracted out' children of staff will no longer be eligible for priority admission under this criterion. The definition does not include peripatetic staff.*
4. Other children who live in the catchment area served by the school.
5. Children by reference by distance to the school.

For full details of the academy admissions policy, click the link below -

https://www.coventry.gov.uk/downloads/download/1819/finham_park_school

Sibling; By sibling we mean: • Children living at the same address who have one or both natural parents in common • Children living at the same address who are related by a parent's marriage • Children living at the same address whose parents are living as partners at this address • We include siblings who are adopted within our definition of sibling • We do not include 'cousins' within our definition of sibling • However, where the school is oversubscribed, no guarantee can be given that places will be available for brothers and sisters. Applications with each year group made on behalf of twins or other multiple births – where the last child to be offered a place is one of multiple birth siblings, the school will admit over the published admission number (PAN) in order to support the family.

Home Address: A student's home address is considered to be a residential property that is the child's only or main residence. At the time places are allocated, proof of permanent residence at the property concerned may be required. Where documentary evidence can substantiate to the satisfaction of the Governing Board that care is split equally between parents/carers at two homes, parents/carers must name the address to be used for the purpose of allocating a school place. **If a school place is offered on the basis of an address that is subsequently found to be different from a child's normal and permanent home address, then that place is liable to withdrawal.**

Distance; A straight-line measurement will be made, using a computerised mapping system, from the centre of the child's residence – to the centre of the school site. The address used must be the child's permanent home address. The shortest measurement will have the highest priority. Where the final place in a year group can be taken by two or more children living an equal distance from the school, the Admissions Panel will select by drawing lots. This process will be independently verified.

Waiting Lists; The governors cannot always offer places at the school. If this is the case, the child's name will be automatically placed on the school waiting list. If places become available, the governors will allocate the places in accordance with the oversubscription criteria. Applicants may therefore move both up and down the list depending on whether others joining the list meet a higher ranked oversubscription criterion. Waiting Lists will remain in operation until 31 December. Thereafter, parents will be required to register their interest in the preferred school at the beginning of each term, otherwise they will be deemed to have withdrawn their interest.

School Appeals: If your application for a place at the school is unsuccessful, you will be informed why admission was refused and given information about the process for hearing appeals. If you wish to appeal, you must set out the grounds for your appeal in writing and send it to: Finham Park Appeal, Ms J Bevan at email j.bevan@finhampark.co.uk or in writing to Finham Park School, Green Lane, Coventry, CV3 6EA.

Previous year's allocation information 2024-2026

Academic Year	PAN	Total number of requests received	SEN	Public Care	Siblings	Staff	Catchment area	Distance	Last Distance Allocated	Total Allocated
2026	270	354	7	3	81	3	107	69	1.661	270
2025	270	352	7	1	88	3	103	68	1.553	270
2024	270	406	7	2	98	5	117	41	1.384	270

In each year the school was able to admit up to criteria 5 but there is no guarantee that a similar situation will occur for admission in September 2027.

Admissions Authority

Foxford Community School is an academy within the Castle Phoenix Trust which is a multi-academy trust.

2027/2028 Oversubscription Criteria

If there are more applications for a place than there are places available within the Academy's admission number, places will be allocated in accordance with the following criteria and in the order shown below (please reference to oversubscription definitions for further information):

1. Children who, at the time of admission, are in the care of a local authority or are provided with accommodation by the authority (looked after children) including those children who appear (to the admission authority) to have been in state care outside of England and ceased to be in state care as a result of being adopted or became subject to a special guardianship order. *A looked after child is defined in Section 22 of the Children Act 1989 (see definitions section).*
2. Children who live in the catchment area served by the Academy, who have a brother or sister attending the Academy provided that the brother or sister will be of compulsory school age and will continue to attend the Academy the following year.
3. Other children who live in the catchment area served by the Academy.
4. Children living outside the catchment area with a brother or sister who currently attends the Academy, provided that the brother or sister will be of compulsory school age and will continue to attend the Academy the following year
5. Children by reference to the distance their home is from the Academy in accordance with the definitions section.

If it is not possible to meet all of the requests in any one of the categories described above, priority will be determined by the proximity of the child's home to the Academy

For full policy details, click the link below -

<https://www.coventry.gov.uk/downloads/download/1811/foxford>

Brothers and Sisters; The definition of brother or sister includes step-brothers, step-sisters, half-brothers, half-sisters and adopted brothers and sisters living at the same permanent address. Brothers and sisters are required to be of compulsory school age within the oversubscription criteria. This means they must be attending in Years 7 to 11 at the time that the applicant would be joining the Academy.

Distance; A straight-line measurement will be made, using a computerised mapping system, from the centre of the child's residence to the centre of the school site. The address used must be the child's permanent home address. The shortest measurement will have the highest priority. Where the final place in a year group can be taken by two or more children living an equal distance from the school, the Trustees will select by drawing lots

Home address: A pupil's home address is considered to be a residential property that is the child's only or main residence. At the time places are allocated, proof of permanent residence at the property concerned may be required. Where documentary evidence can substantiate to the satisfaction of the Governors that care is split equally between parents at two homes, parents must name the address to be used for the purpose of allocating a school place.

Waiting Lists; After the initial allocation of places, as required by the current School Admissions Code the Academy will manage the waiting list until the end of the autumn term (31 December). The Academy will continue to do this for subsequent terms and also manage waiting lists for other year groups. Applications for inclusion on the waiting list will be ranked according to the school's oversubscription criteria.

When a place becomes available the Academy, through the LA, will contact the first person on the list (according to the Academy's oversubscription criteria) for the relevant year group. Parent/carers must contact the Academy at the end of every term to ensure their child remains on the waiting list.

School Appeals; If you are unsuccessful in obtaining a place, parents have the right of appeal to an independent panel who have the authority to exceed the Academy's admission number where appropriate. Please address your appeal to Foxford Appeal, jan.clarke@castlephoenixtrust.org.uk or in writing to Foxford Appeal, Foxford School, Grange Road, Longford, Coventry, CV6 6BB.

Previous year's allocation information 2024-2026

Academic Year	PAN	Total number of requests received	SEN	Public Care	Catchment area	Siblings	Distance	Last Distance Allocated	Total Allocated
2026	210	210	5	2	148	10	45	3.469	210
2025	210	210	1	1	168	16	24	2.096	210
2024	210*	216	3	2	161	12	32	2.041	210

Only limited numbers of children living outside the catchment area in 2024 were offered places (criteria 4 and 5). All applicants were offered places in 2025 and 2026 but there is no guarantee that a similar situation will occur for admission in September 2027.

For full of the admissions policy details, click the link below -

https://www.coventry.gov.uk/downloads/download/1820/grace_academy

2027/2028 Oversubscription Criteria

If there are more requests than there are places available within the Academy's admission number, places will be allocated in accordance with the following criteria and in the order shown below:

- a. Children who, at the time of admission, are in the care of a local authority or are provided with accommodation by the authority (looked after children). Also, children who were previously looked after but ceased to be so because they were adopted, or became subject to a child arrangements order or a special guardianship order and including those children who appear (to the admission authority) to have been in state care outside England and ceased to be in state care as a result of being adopted. *A looked-after child is defined in Section 22 of the Children Act 1989.*
- b. Children of staff at the Academy, in either of the following circumstances:
 - The member of staff has been employed at the Academy for 2 or more years at the time at which the application for admission to the Academy is made, or
 - The member of staff is recruited to fill a vacant post for which there is a demonstrable skill shortage.
- c. Children who live in the catchment area served by the Academy, who have a brother or sister attending the Academy provided that the brother or sister is of compulsory Academy age and will continue to attend that Academy the following year.
- d. Other children who live in the catchment area served by the Academy.
- e. Children living outside the catchment area with a brother or sister who currently attends the Academy, provided that the brother or sister is of compulsory Academy age and will continue to attend that Academy the following year
- f. Children by reference to the distance from home to the preferred Academy.

Brothers and Sisters; The definition of brother or sister includes step-brothers, step-sisters, half-brothers, half-sisters and adopted brothers and sisters living at the same permanent address. They are required to be of compulsory Academy age within the oversubscription criteria. This means they must be attending in Years 7 to 11 at the time that the applicant would be joining the Academy. Where the final place in a year group is offered to one of twins or other multiple births the parent has to decide which child will take up the place.

Address: A pupil's home address is considered to be a residential property that is the child's only or main residence. At the time places are allocated, proof of permanent residence at the property concerned may be required. Where documentary evidence can substantiate to the satisfaction of the Local Authority that care is split equally between parents at two homes, parents must name the address to be used for the purpose of allocating a place.

Distance; A straight-line measurement will be made, using a computerised mapping system, from the centre of the applicant's home address to the centre of the preferred Academy site as set by the Local Authority. All distances are subject to change with updates of mapping data. The address used must be the child's permanent home address. The shortest measurement will have the highest priority. Where the final place in a year group can be taken by two or more children living an equal distance from the Academy, the Local Governing Body will use the tie break method as per paragraph 6.3 in the policy.

Waiting Lists; Subject to provisions regarding waiting lists the Local Authority's coordinated admissions scheme, the Academy will operate a waiting list for each year group. Where in any year Grace Academy Coventry receives more applications for places than there are places available, a waiting list will operate. This will be maintained by the Academy in conjunction with School Admissions and it will be open to any parent to ask for his or her child's name to be placed on the waiting list, following an unsuccessful application. Students will remain on the list until 31 December 2027. Parents who wish for their child's name to be placed on a waiting list from January 2028 until the end of the academic year should notify School Admissions who operate the list.

School Appeals; Parents have the right of appeal to an independent appeal panel if they are dissatisfied with an admission decision in relation to the offering of a place for a student to Grace Academy. Please contact schoolappeals@coventry.gov.uk for further details.

Previous year's allocation information 2024-2026

Admissions Authority

Lyng Hall School is an academy and is part of the **Finham multi-academy trust**

For full details on admissions policy, click the link below -

https://www.coventry.gov.uk/downloads/download/1812/lyng_hall

2027/2028 Oversubscription Criteria

1. Looked After children and previously looked after children
2. Children who have a brother or sister attending Lyng Hall School providing that the brother or sister will be of compulsory school age and will continue to attend Lyng Hall School the following year

By sibling we mean: • Children living at the same address who have one or both natural parents in common • Children living at the same address who are related by a parent's marriage • Children living at the same address whose parents are living as partners at this address • We include siblings who are adopted within our definition of sibling • We do not include 'cousins' within our definition of sibling • However, where the school is oversubscribed, no guarantee can be given that places will be available for brothers and sisters.

3. Children of all staff who meet the definition below

All staff who have been continuously employed by the school for a period of at least two years for the purpose of working in the school as follows: • All full-time teaching staff • All full-time support staff – defined as those on 37 week and above contract • All part time teaching staff with a 45% and above timetable • All part time support staff who work at least 15 hours per week for 37 weeks or more The two-year qualification period may be waived if a post is hard to fill. The definition does not include contract staff. If a service has been 'in house' and is subsequently 'contracted out' children of staff will no longer be eligible for priority admission under this criterion. The definition does not include peripatetic staff.

4. Other children who live in the catchment area served by the school.
5. Other children according to distance between their home and Lyng Hall School

Distance A straight-line measurement will be made, using a computerised mapping system, from the centre of the child's residence – to the centre of the school site. The address used must be the child's permanent home address. The shortest measurement will have the highest priority.

Looked after children are children who, at the time of making an application to the school, are: • In the care of a local authority, or • Being provided with accommodation by a local authority in exercise of its social services functions. **Previously looked after children** are children who were looked after, but ceased to be so because they: • Were adopted under the Adoption Act 1976 or the Adoption and Children Act 2002, or • Became subject to a child arrangements order, or • Became subject to a special guardianship order • All previously looked after children, including those children who appear (to the admission authority) to have been in state care outside of England and ceased to be in state care as a result of being adopted. All children whose EHC Plan (Education Health and Care Plan) names the school will be admitted before any other places are allocated.

Siblings are required to be of compulsory school age within the oversubscription criteria. This means they must be attending in Years 7 to 11 at the time that the applicant would be joining the school. Applications with each year group made on behalf of twins or other multiple births – where the last child to be offered a place is one of multiple birth siblings, the school will admit over the published admission number (PAN) in order to support the family.

Home address A student's home address is considered to be a residential property that is the child's only or main residence. At the time places are allocated, proof of permanent residence at the property concerned may be required. Where documentary evidence can substantiate to the satisfaction of the Governing Board that care is split equally between parents/carers at two homes, parents/carers must name the address to be used for the purpose of allocating a school place. If a school place is offered on the basis of an address that is subsequently found to be different from a child's normal and permanent home address, then that place is liable to withdrawal.

Waiting Lists; The governors cannot always offer places at the school. If this is the case, the child's name will be automatically placed on the school waiting list. If places become available, the governors will allocate the places in accordance with the oversubscription criteria. Applicants may therefore move both up and down the list depending on whether others joining the list meet a higher ranked oversubscription criterion. Waiting Lists will remain in operation until 31 December. Thereafter, parents will be required to register their interest in the preferred school at the beginning of each term, otherwise they will be deemed to have withdrawn their interest.

Appeals: If you wish to appeal, you must set out the grounds for your appeal in writing and send it to: Lyng Hall Appeal, mswift@lynghallschool.co.uk or in writing to Lyng Hall School, Blackberry Lane, Coventry, CV2 3JS. Appeals will be heard by an independent appeal panel.

5. Other children according to distance between their home and Meadow Park School

Distance A straight-line measurement will be made, using a computerised mapping system, from the centre of the child's residence – to the centre of the school site. The address used must be the child's permanent home address. The shortest measurement will have the highest priority.

Looked after children are children who, at the time of making an application to the school, are: • In the care of a local authority, or • Being provided with accommodation by a local authority in exercise of its social services functions. **Previously looked after children** are children who were looked after, but ceased to be so because they: • Were adopted under the Adoption Act 1976 or the Adoption and Children Act 2002, or • Became subject to a child arrangements order, or • Became subject to a special guardianship order • All previously looked after children, including those children who appear (to the admission authority) to have been in state care outside of England and ceased to be in state care as a result of being adopted. All children whose EHC Plan (Education Health and Care Plan) names the school will be admitted before any other places are allocated.

Siblings are required to be of compulsory school age within the oversubscription criteria. This means they must be attending in Years 7 to 11 at the time that the applicant would be joining the school. Applications with each year group made on behalf of twins or other multiple births – where the last child to be offered a place is one of multiple birth siblings, the school will admit over the published admission number (PAN) in order to support the family.

Home address A student's home address is considered to be a residential property that is the child's only or main residence. At the time places are allocated, proof of permanent residence at the property concerned may be required. Where documentary evidence can substantiate to the satisfaction of the Governing Board that care is split equally between parents/carers at two homes, parents/carers must name the address to be used for the purpose of allocating a school place. If a school place is offered on the basis of an address that is subsequently found to be different from a child's normal and permanent home address, then that place is liable to withdrawal.

Waiting Lists; We will maintain a clear, fair and objective waiting list for children entering year 7. The governors cannot always offer places at the school. If this is the case, the child's name will be automatically placed on the school waiting list. If places become available, the governors will allocate the places in accordance with the oversubscription criteria. Applicants may therefore move both up and down the list depending on whether others joining the list meet a higher ranked oversubscription criterion. Waiting Lists will remain in operation until 31 December. Thereafter, parents will be required to register their interest in the preferred school at the beginning of each term, otherwise they will be deemed to have withdrawn their interest.

School Appeals; If your application for a place at the school is unsuccessful, you will be informed why admission was refused and given information about the process for hearing appeals. If you wish to appeal, you must set out the grounds for your appeal in writing and send it to the following address: Please address your appeal to Meadow Park School Appeal at admin@meadowparkschool.com or in writing to Meadow Park School, Appeal, Abbey Road, Coventry, CV3 4BD. You can find details of the school's appeals timetable on the admissions page of the school website.

Previous year's allocation information 2024-2026

Academic Year	PAN	Total number of requests received	SEN	Public Care	Catchment area	Staff	Siblings	Distance	Last Distance Allocated	Total Allocated
2026	180	122	1	0	79	0	10	32	3.93	122
2025	180	105	2	0	57	0	10	36		105
2024	180	149	0	0	101	0	10	38		149

In each year all applicants were offered places under the school policy but there is no guarantee that a similar situation will occur for admission in September 2027.

Admissions Authority

President Kennedy School is an academy within The Futures Trust, a multi-academy trust.

2027/2028 Oversubscription Criteria

If there are more requests for a school place than there are places available within the school's admission number, places will be allocated in accordance with the following criteria and in the order shown below (please reference to oversubscription definitions for further information):

- a. Children who, at the time of admission, are in the care of a local authority or are provided with accommodation by the authority (looked after children) and all children who were previously looked after but ceased to be so because they were adopted, or became subject to a child arrangements order or a special guardianship order, including those children who appear (to the admission authority) to have been in state care outside of England and ceased to be in state care as a result of being adopted. *A looked after child is defined in Section 22 of the Children Act 1989 (see definitions section).*
- b. Children who live in the catchment area served by the school, who have a brother or sister attending the school provided that the brother or sister will be of compulsory school age and will continue to attend President Kennedy School the following year.
- c. Other children who live in the catchment area served by the school.
- d. Children living outside the catchment area with a brother or sister who currently attends the school, provided that the brother or sister will be of compulsory school age and will continue to attend President Kennedy School the following year.
- e. Children by reference to the distance their home is from the school in accordance with the definitions section.

For full details on the schools admissions policy, click the link below -

https://www.coventry.gov.uk/downloads/download/1813/president_kennedy

Brothers and Sisters; The Trustees see the benefits of children from the same family attending the same school and give priority to brother and/or sister connections in its policy for allocating places under oversubscription criteria (b) and (d). Brothers and sisters are those children who live at the same address and either have one or both natural parents in common; are related by a parent's marriage or whose parents are living as partners. We include children who are adopted within our definition of brothers and sisters. However, where the school is over-subscribed no guarantee can be given that places will be available for brothers and sisters. Where the final place in a year group is offered to one of a pair of twins or other multiple births, the admission number will be exceeded to accommodate the multiple birth siblings. This recognises the exceptional nature of emotional bonds between multiple birth siblings.

Home Address: A child's home address is considered to be the residential property that is the child's only or main residence. At the time places are allocated, proof of permanent residence at the property concerned may be required. Where parents have shared responsibility for a child and the child lives for part of the week with each parent, the definition of a child's residence will be where they reside the majority of the time (3 nights or more) between Monday to Friday.

Distance; A straight-line measurement using a computerised mapping system, from the centre of the child's residence to the centre of the school site. The address used must be the child's permanent home address. The shortest measurement will have the highest priority. Where the final place in a year group can be taken by two or more children living an equal distance from the school as described above, the admissions authority will select by drawing lots.

Waiting Lists; After the initial allocation of places, each admission authority must maintain a clear, fair, and objective waiting list until at least 31 December of each school year of admission. Parents who wish for their child to continue to be considered for a place at President Kennedy School after the 31st of December must re-register their interest via the Local Authority by completing a Secondary School Transfer Application Form. A new waiting list will be produced by the Local Authority at the start of the spring term (January) and will then operate until the end of the academic year (July). Each added child will require the list to be ranked again in line with the published oversubscription criteria.

School Appeals If you want to appeal for a place you should contact Coventry City Council School Appeals Team on 024 7697 2647 / schoolappeals@coventry.gov.uk (<https://www.coventry.gov.uk/school-admissions/school-appeals>).

Previous year's allocation information 2024-2026

Academic Year	PAN	Total number of requests received	SEN	Public Care	Catchment area	Siblings	Distance	Last Distance Allocated	Total Allocated
2026	300	563	13	9	278	-	-	1.206 Criteria D	300
2025	300	496	3	3	262	16	16	0.89 Criteria E	300
2024	300	499	11	11	267	11	-	4.131 Criteria D	300

In 2024 we could not offer places to all the siblings living outside the catchment area. In 2025 we were able to offer places to all catchment and sibling applicants but only some based on distance from the school. In 2026 we could not offer places to all the catchment area applicants. There is no guarantee that a similar situation will occur for admission in September 2027.

Chair of Trustees: Amarjit Basra

Type of School: Academy All Through

Age range: 4-16

Published Admission Number: 120

Number on Roll: 702

DfE Number: 331 4004

Open Evening -

Tuesday 24 September 2026 (5pm-7:30pm)

Admissions Authority

Seva School Coventry is a Sikh faith school and is part of the Sevak Education trust.

Those wishing to apply for a place based on their faith must complete the supplementary information form which is available in the link below and parents should make sure this is returned direct to the school.

The form is available to download from;
https://www.coventry.gov.uk/downloads/download/2778/seva_school

2027/2028 Oversubscription Criteria

Please note that students currently in Year 6 at Seva School will be guaranteed their place in Year 7.

Pupils with an Education Health Care Plan, where the school is named in the Statement, will be admitted to Seva School. If undersubscribed, the school will admit all remaining applicants. If oversubscribed, the school will admit the remaining children under two priority groups. Up to 50% of the available places will be allocated to children in **Priority Group A** based on faith. The remaining places will be allocated without reference to faith to children in **Priority Group B**.

Priority Group A - A maximum of 50% of the available places will be allocated to children who are members of the Sikh faith. Places will be allocated in the following order:

1. Looked after Sikh children (children in public care) or previously looked after Sikh children.
2. Children with a sibling who is a pupil already attending Seva School, at the time of admission.
3. Sikh children whose parents demonstrate their commitment to the Sikh faith by completing the whole of Section 2 of the Supplementary Information Form. The form will be assessed and places will be allocated based on the score achieved (points are specified against each answer). Priority will be given to the highest scores in descending order.
4. Children of staff who have been employed at Seva School for 2 years or more at the time of applying. Or children of staff who have been recruited to fill a post where there is a skills shortage.
5. Children by reference to the distance their home is to the Academy in a straight line measurement.

Details for more oversubscription criteria on next page.....

For full details on admissions policy, click the link below –
https://www.coventry.gov.uk/downloads/download/2778/seva_school

Priority Group B; After the allocation of places under Priority Group A, at least 50% of places will be allocated to non-Sikh applicants. Places will be allocated in the following order:

1. Looked after children and previously looked after children.
2. Children with a sibling who is a pupil already attending Seva School, at the time of admission.
3. Children of staff who have been employed at Seva School for 2 years or more at the time of applying. Or children of staff who have been recruited to fill a post where there is a skills shortage.
4. Children by reference to the distance their home is to the Academy in a straight-line measurement.

Allocation of places if either group A or group B is undersubscribed; If after the admission of children with an Education, Health & Care Plan fewer than 50% of the remaining children qualify for admission under Priority Group A, additional places will be offered using the criteria listed under Priority Group B until the admission numbers are met. If after the admission of children with an Education, Health & Care Plan fewer than 50% of the remaining children qualify for admission under Priority Group B then additional places will be offered to applicants who were not allocated a place under Priority Group A. These applicants will be considered without reference to faith in line with the over-subscription criteria in Priority Group B until the admission numbers are met

Full details including definitions of Sikh faith are included within the main policy.

Waiting List; Children who are not admitted will have their name placed automatically on a waiting list which is maintained by the Trustee Board. Should a place become available, applications will be processed according to the oversubscription criteria for the relevant priority group. Parents/carers will be required to confirm in writing by 31 December if they wish to remain on the waiting list. The waiting list will operate for the remainder of the school year.

Appeals Those applicants who do not receive an offer of a place will be able to appeal the decision in accordance with the School Admissions Appeal Code. The details of the appeal procedure will be set out in full in the decision letter. The appeal will be heard by an Independent Appeals Panel, constituted according to the relevant statutory provisions in force at the time. The determination of the Independent Appeals Panel will be binding on all parties.

Previous year's allocation information 2024-2026

Seva school is an all through school. It takes up to 60 pupils in Year 6 and these children have a right to continue automatically into Year 7 if they wish. From 2024 to 2026 the number of children wishing to stay at the school and those applying to join the school has not been greater than the admission number of 120 so all applicants have been admitted.

There is no guarantee that a similar situation will occur for admission in September 2027.

Admissions Authority

Sidney Stringer Academy is part of the Sidney Stringer multi-academy trust.

For full details on admissions policy, click the link below -

https://www.coventry.gov.uk/downloads/download/1821/sidney_stringer_academy

2027/2028 Oversubscription Criteria

If there are more requests for the Academy than there are places available within the Academy's admission number, places will be allocated in accordance with the following criteria and in the order shown below:

- 1) Children who, at the time of admission, are in the care of a local authority or are provided with accommodation by the authority (looked after children). Also children who were previously looked after but ceased to be so because they were adopted, or became subject to a child arrangements order or a special guardianship order and all previously looked after children, including those children who appear (to the admission authority) to have been in state care outside England and ceased to be in state care as a result of being adopted. *A looked-after child is defined in Section 22 of the Children Act 1989.*
- 2) Children of staff who work at the Academy and spend the majority of their time working at the Academy, with two years' service at the time of application.
- 3) Children who have attended Sidney Stringer Primary school since the start of Year 5 and have remained at the school since then.
- 4) Children who live in the catchment area served by the Academy, who have a brother or sister attending the Academy provided that the brother or sister is of compulsory school age and will continue to attend Sidney Stringer Academy the following year.
- 5) Other children who live in the catchment area served by the Academy.
- 6) Children living outside the catchment area with a brother or sister who currently attends the Academy, provided that the brother or sister is of compulsory school age and will continue to attend Sidney Stringer Academy the following year.
- 7) Children by reference to the distance to the academy.

Siblings; The Academy sees the benefits of children from the same family attending the same Academy and gives priority to brother and/or sister connections in its policy for allocating places. Brothers and sisters are those children who live at the same address and either have one or both natural parents in common; are related by a parent's marriage or whose parents are living as partners. We include children who are adopted within our definition of brothers and sisters. However, where the Academy is over-subscribed, no guarantee can be given that places will be available for brothers and sisters. **Multiples births** Where the last place is offered to one of twins/triplets, then the Academy can choose to admit all of the siblings. **Compulsory Academy age** Brothers and sisters are required to be of compulsory school age within the oversubscription criteria. This means they must be attending in Years 7 to 11 at the time that the applicant would be joining the Academy.

Tie Breaker; If it is not possible to meet all of the requests in any one of the categories described above, requests will be prioritised within that category by reference to distance. A straight-line measurement will be made, using Coventry City Council's computerised mapping system, from the centre of the child's residence to the centre of the Academy. The address used must be the child's permanent home address. The shortest measurement will have the highest priority. Where the final place in a year group can be taken by two or more children living an equal distance from the Academy, the decision will be made by the drawing of lots.

Staff refers to any person employed by the Governing body of the Academy, or if employed by another organisation who works wholly or mainly in the Academy. They must meet the following criteria • All full time teaching staff • All full time support staff – defined as those on 37 week and above contract • All part time teaching staff with a 45% and above timetable • All part time support staff who work at least 15 hours per week for 37 weeks or more The definition does not include contract or peripatetic staff

Home address: A student's home address is considered to be a residential property that is the child's only or main residence. At the time places are allocated, proof of permanent residence at the property concerned may be required. Where documentary evidence can substantiate to the satisfaction of the Governing Body that care is split equally between parents at two homes, parents must name the address to be used for the purpose of allocating a school place. If a school is offered on the basis of an address that is subsequently found to be different from a child's normal and permanent home address, then that place is liable to withdrawal.

Waiting Lists; When a place cannot be offered at the Academy the child's name will be automatically placed on the waiting list. If places become available, they will be allocated based on the oversubscription criteria. Each time a child is added, the list is ranked again in line with the oversubscription criteria. Applicants may therefore move both up and down the list depending on whether others joining the list meet a higher ranked oversubscription criterion. Waiting Lists will remain in operation until 31 December 2027. After this, parents/carers will need to contact the School Organisation Team if they wish to stay on the waiting list until the end of the academic year when the waiting list will be discarded.

Appeals: All applicants refused a place have a right of appeal to an independent appeal panel constituted and operated in accordance with the School Admission Appeals Code. Appellants should contact the Academy on 024 7625 1756 or e-mail admissions@sidneystringercademy.org.uk for information on how to appeal. Information on the timetable for the appeals process is on our website.

[Further information on the following page....](#)

Previous year's allocation information 2024-2026

Academic Year	PAN	Total number of requests received	SEN	Public Care	Staff	Feeder school	Catchment area	Sibling	Other	Last Distance Allocated	Total Allocated
2026	210	405	6	1	2	50	151	0	0	0.675	210
2025	210	444	6	0	0	45	160	0	0	0.589	211
2024	240*	456	9	0	2	36	193	0	0	0.877	240

*For 2024 entry Sidney Stringer Academy agreed to offer an additional 30 spaces to the PAN as a temporary increase to meet the demand for spaces within the city.

In each year the school has been unable to admit all catchment area requests or any out of area siblings, and the last distance allocated is within the catchment area.

There is no guarantee that a similar situation will occur for admission in September 2027 but please be aware of the fact no offers to children outside the catchment area have been made in recent years.

Admissions Authority

St John Henry Newman Catholic School is an Academy in the Holy Cross Multi Academy Company.

Baptismal Certificates MUST be submitted with the application for any child who is Baptised Catholic.

For full details on admissions policy, click the link below -

https://www.coventry.gov.uk/downloads/download/1816/cardinal_newman_catholic_secondary

2027/2028 Oversubscription Criteria

Where there are more applications for places than the number of places available, places will be offered according to the following order of priority. If there is oversubscription within a category, the Local Governing Body will give priority to children who will have a brother or sister attending St John Henry Newman Catholic School at the time of admission and then secondly to children living closest to the school determined by the shortest distance.

1. Baptised Catholic children who are looked after or previously looked after.
2. Baptised Catholic children of a member of staff working for St John Henry Newman Catholic School
3. Baptised Catholic children who currently attend one of our Catholic Feeder Schools
4. Baptised Catholic children who are siblings of children in attendance at St John Henry Newman Catholic School at the time of admission.
5. Other Baptised Catholic children.
6. Non-Catholic children who are looked after or previously looked after
7. Non-Catholic children of a member of staff working for St John Henry Newman Catholic School
8. Non-Catholic children who currently attend one of our Catholic Feeder Schools, who are siblings of children in attendance at St John Henry Newman Catholic School at the time of admission.
9. Non-Catholic children who are siblings of children already in attendance at St John Henry Newman Catholic School at the time of admission.
10. Non-Catholic children who currently attend one of our Catholic Feeder Schools.
11. Other Non-Catholic children.

Named Feeder School; The named feeder schools for St John Henry Newman School are: Christ the King, Holy Family, St Augustine's, St Elizabeth's, and St Osburg's Catholic Primary Schools.

Baptismal Certificates; In all categories, for a child to be considered as Catholic, evidence of Catholic Baptism or Reception into the Church will be required. Those who face difficulties in producing written evidence of Catholic Baptism or Reception into the Church should contact their Parish Priest. Parents making an application for a Catholic child will need to submit a copy of the child's Baptismal Certificate. **This should be returned directly to the school.** If you do not provide a Baptismal Certificate by the closing date, this is likely to affect the criteria that your child is placed into, which is likely to affect your child's chance of being offered a place at this school.

Brothers and Sisters; For all applicants the definition of a brother or sister is: · A brother or sister sharing the same parents · A half-brother or half-sister, where two children share one common parent · A step-brother or step-sister, where two children are related by a parents' marriage or civil partnership or where they are unrelated but their parents are living as partners. · Adopted or fostered children. The children must be living permanently in the same household.

Staff: A 'member of staff working for St John Henry Newman Catholic School' is defined as an individual who has been employed by St John Henry Newman Catholic School for two or more years prior to the application being submitted to the local authority, or where the staff member has more recently been recruited to fill a vacant post where there is a demonstrable skill shortage.

Distance; Distances are calculated on the basis of a straight-line measurement from the centre of the child's home address to the centre of the school site. The Local Authority calculates these measurements on behalf of the school using a computerised mapping system. Ordnance Survey supplies the co-ordinates that are used to plot a child's home address and the address of the school.

Waiting Lists; Children who have not been offered a place at St John Henry Newman Catholic School but were offered a school that was ranked as a lower preference on their application form will be added to a waiting list. The waiting list will be maintained until the last day of the summer term 2028 and will then be discarded. A child's position on a waiting list is not fixed. When a new child joins the waiting list, all applicants on that waiting list will be re-ranked to ensure that the list is always maintained in oversubscription criteria order.

School Appeals; Parents who wish to appeal against the decision of the Local Governing Body to refuse their child a place in the school should make that appeal request in writing to the Chair of the Local Governing Body at the school address. Appeals will be heard by an independent panel.

Previous year's allocation information 2024-2026

Academic Year	PAN	Total number of requests received	1st	2 nd	3 rd	4 th	5 th	6 th	7 th	8 th	9 th	10 th	11 th	Last Distance allocated	Total Allocated
2026	250	312	13	0	120	14	33	4	1	15	14	21	15	0.662	250
2025	250	305	5	0	130	11	16	1	1	9	18	30	29	1.406	251
2024	250	297	4	1	149	7	29	2	0	11	21	26	0	3.579	250

In 2025 and 2026 only some places were offered to non-catholic children under criteria 11, and in 2024 only some non-catholic children under criteria 10. There is no guarantee that a similar situation will occur for admission in September 2027.

2027/2028 Oversubscription Criteria

If there are more requests for a school place than there are places available within the school's admission number, places will be allocated in accordance with the following criteria and in the order shown below:

1. Children who, at the time of admission, are in the care of a local authority or are provided with accommodation by the authority (looked after children) and all children who were previously looked after but ceased to be so because they were adopted, or became subject to a child arrangements order or a special guardianship order, including those children who appear (to the admission authority) to have been in state care outside of England and ceased to be in state care as a result of being adopted. *A looked after child is defined in Section 22 of the Children Act 1989.*
2. Children who live in the catchment area served by the school, who have a brother or sister attending the school provided that the brother or sister will be of compulsory school age and will continue to attend Stoke Park School the following year.
3. Other children who live in the catchment area served by the School.
4. Children living outside the catchment area with a brother or sister who currently attends the school, provided that the brother or sister will be of compulsory school age and will continue to attend Stoke Park School the following year.
5. Children by reference to the distance their home is from the school

Brothers and Sisters; The Trustees see the benefits of children from the same family attending the same school and give priority to brother and/or sister connections in its policy for allocating places under oversubscription criteria (b) and (d). Brothers and sisters are those children who live at the same address and either have one or both natural parents in common; are related by a parent's marriage or whose parents are living as partners. We include children who are adopted within our definition of brothers and sisters. However, where the school is over-subscribed no guarantee can be given that places will be available for brothers and sisters. Where the final place in a year group is offered to one of a pair of twins or other multiple births, the admission number will be exceeded to accommodate the multiple birth siblings. This recognises the exceptional nature of emotional bonds between multiple birth siblings.

Home Address: A child's home address is considered to be the residential property that is the child's only or main residence. At the time places are allocated, proof of permanent residence at the property concerned may be required. Where parents have shared responsibility for a child and the child lives for part of the week with each parent, the definition of a child's residence will be where they reside the majority of the time (3 nights or more) between Monday to Friday.

Distance; A straight-line measurement using a computerised mapping system, from the centre of the child's residence to the centre of the school site. The address used must be the child's permanent home address. The shortest measurement will have the highest priority. Where the final place in a year group can be taken by two or more children living an equal distance from the school as described above, the admissions authority will select by drawing lots.

Waiting Lists; After the initial allocation of places, each admission authority must maintain a clear, fair, and objective waiting list until at least 31 December of each school year of admission. Parents who wish for their child to continue to be considered for a place at President Kennedy School after the 31st of December must re-register their interest via the Local Authority by completing a Secondary School Transfer Application Form. A new waiting list will be produced by the Local Authority at the start of the spring term (January) and will then operate until the end of the academic year (July). Each added child will require the list to be ranked again in line with the published oversubscription criteria.

School Appeals If you want to appeal for a place, you should contact Coventry City Council School Appeals Team on 024 7697 2647 / schoolappeals@coventry.gov.uk (<https://www.coventry.gov.uk/school-admissions/school-appeals>).

Previous year's allocation information 2024-2026

Academic Year	PAN	Total number of requests received	SEN	Public Care	Catchment area	Siblings	Distance	Last Distance Allocated	Total Allocated
2026	210	233	5		96	38	71	1.005	210
2025	210	210	3	1	89	31	86	2.17	210
2024	210	210	5	2	86	15	102	8.11	210

In each year the school was able to admit up to the final distance criteria and in 2025 to all those who applied, but there is no guarantee that a similar situation will occur for admission in September 2027.

2027/2028 Oversubscription Criteria

If there are more requests for a school place than there are places available within the school's admission number, places will be allocated in accordance with the following criteria and in the order shown below:

1. Children who, at the time of admission, are in the care of a local authority or are provided with accommodation by the authority (looked after children) and in addition, all previously looked after children, including those children who appear (to the admission authority) to have been in state care outside of England and ceased to be in state care as a result of being adopted, or became subject to a child arrangement order or special guardianship order. *A looked-after child is defined in Section 22 of the Children Act 1989.*
2. Children who live in the catchment area served by the school, who have a brother or sister attending the school provided that the brother or sister will be of compulsory school age and will continue to attend that school the following year, *The definition of brother or sister includes step-brothers, step-sisters, half-brothers, half-sisters and adopted brothers and sisters living at the same permanent address.*
3. Other children who live in the catchment area served by the school.
4. Children living outside the catchment area with a brother or sister who currently attends the school, provided that the brother or sister will be of compulsory school age and will continue to attend that school the following year
5. Children whose parent (or parents) are employed by The Westwood Academy and who have been so employed for two or more years at the time at which the application is made and/or they have been recruited to fill a vacant post for which there is a demonstrable skills shortage
6. Children by reference to the distance to the school

If it is not possible to meet all of the requests in any one of the categories described above, the school governors will prioritise the requests by reference to distance.

Siblings: This will be a full, adopted, half or stepbrother or sister and will include a full, adopted half or stepbrother or sister living at a different address. Foster children will count as a brother or sister to those living within the foster household or where appropriate the natural parental home address. **Compulsory School Age;** Brothers and sisters are required to be of compulsory school age within the oversubscription criteria. This means they must be attending in Years 7 to 11 at the time that the applicant would be joining the school.

Distance; If it is not possible to meet all of the requests in any one of the categories described above, the Governors will prioritise the requests within that category by reference to distance. A straight line measurement will be made, using a computerised mapping system, from the centre of the child's residence - to the centre of the preferred school site. The address used must be the child's permanent home address. The shortest measurement will have the highest priority. Where the final place in a year group can be taken by two or more children living an equal distance from the school, the Governors will select by drawing lots, and this process will be overseen by a person independent of the KMAT and the school.

Home address; A pupil's home address is considered to be the residential property that is the child's only or main residence. At the time places are allocated, proof of permanent residence at the property concerned may be required. Where documentary evidence can substantiate to the satisfaction of the Governors that care is split equally between parents at two homes, parents must name the address to be used for the purpose of allocating a school place. If a school is offered on the basis of an address that is subsequently found to be different from a child's normal and permanent home address, then that place is liable to withdrawal.

Waiting Lists; After the initial allocation of places on **1 March 2027**, the Governors in conjunction with the Local Authority will establish a waiting list and this will operate up until the 31st December. Parents who wish for their children to continue to be considered for any places after the end of the autumn term must register their interest for the school via the Local Authority.

School Appeals; Parents who wish to appeal against the decision of the governors to refuse their child a place in the school may apply to the school direct in the first instance. The school will arrange for appeals to be registered with the Kenilworth Multi Academy Trust, who will refer this to an independent appeal panel for the appeal to be heard.

Previous year's allocation information 2024-2026

Academic Year	PAN	Total number of requests received	SEN	Public Care	Catchment area	Siblings	Staff	Distance	Last Distance Allocated	Total Allocated
2026	187	117	3		47	17	0	50	4.108	117
2025	157	126	1	1	47	30	1	46		126
2024	157	115	4	0	46	13	0	52		115

In each year all applicants were offered places under the school policy but there is no guarantee that a similar situation will occur for admission in September 2027.

2027/2028 Oversubscription Criteria

If there are more requests for a school place than there are places available within the school's admission number, places will be allocated in accordance with the following criteria and in the order shown below:

1. Children who, at the time of admission, are in care of a local authority or are provided with accommodation by the authority (looked after children). Also, all previously looked after children, including those children who appear (to the admission authority) to have been in state care outside of England and ceased to be in state care as a result of being adopted or became subject to a residence order or a special guardianship order. *A looked-after child is defined in Section 22 of the Children Act 1989.*
2. Children who live in the catchment area served by the school, who have a brother or sister attending the school provided that the brother or sister will be of compulsory school age and will continue to attend West Coventry Academy the following year.
3. Other children who live in the catchment area served by the school.
4. Children living outside the catchment area with a brother or sister who currently attends West Coventry Academy, provided that the brother or sister will be of compulsory school age and will continue to attend the following year.
5. Children by reference by distance to the school.

If it is not possible to meet all of the requests in any one of the categories described above, the school will prioritise the requests by reference to distance.

For full details on the admissions policy, click the link below -

https://www.coventry.gov.uk/downloads/download/1823/west_cov_academy

Brothers and Sisters; The definition of brother or sister includes stepbrothers, stepsisters, half-brothers, half-sisters and adopted brothers and sisters living at the same permanent address. Brothers and sisters are required to be of compulsory school age within the oversubscription criteria. This means they must be attending in Years 7 to 11 at the time that the applicant would be joining the school. Where the final place in a year group is offered to one of twins or other multiple births the parent has to decide which child will take up the place.

Home Address; A student's home address is considered to be a residential property that is the child's only or main residence. At the time places are allocated, proof of permanent residence at the property concerned may be required. Where documentary evidence can substantiate to the satisfaction of the admission authority that care is split equally between parents at two homes, parents must name the address to be used for the purpose of allocating a school place.

Distance; If it is not possible to meet all of the requests in any one of the categories described above, the priority will be determined by the proximity of the child's home to West Coventry Academy. This will be carried out using a straight-line measurement and a computerised mapping system, from the centre of the child's residence - to the centre of the school site. The address used must be the child's permanent home address. The shortest measurement will have the highest priority. Where the final place in a year group can be taken by two or more children living an equal distance from the school, the admission authority will select by drawing lots.

Waiting Lists; After the initial allocation of places, the admission authority in conjunction with the Local Authority will establish a waiting list up until the end of the Autumn Term (31 December). Parents who wish to continue to be considered for any places at West Coventry Academy after the end of the Autumn Term must register their interest via the Local Authority by completing a secondary school transfer application form. A new waiting list will be produced at the start of the spring term which will operate until the end of the academic year.

School Appeals; Appeals are co-ordinated by the local authority. For details of timetables and the appropriate appeal forms please visit [School appeals – Coventry City Council](#)

Previous year's allocation information 2024-2026

Academic Year	PAN	Total number of requests received	SEN	Public Care	Catchment area	Siblings	Distance	Last Distance Allocated	Total Allocated
2026	240	242	11		166	17	46	5.63	240
2025	240	256	6	5	166	16	47	2.457	240
2024	237	140	2	3	135				140

In 2024 all applicants were offered places under the school policy. In 2025 and 2026 some applicants offered under the distance criteria. There is no guarantee that a similar situation will occur for admission in September 2027.

Published Admission Number for:

Year 9 is 100

DfE Number: 331 4003

Open Evening

Contact the school to book a place

Thursday 1 October 2026
(5pm – 7:30pm)

Admissions Authority; The WMG Academy for Young Engineers is a University Technical College for 13 – 19-year-old students and admit students from Year 9. The Academy is non-selective.

Applicants need to apply when in Year 8, by 1 November 2026 via the Academy website using the web-based Applica platform.

OFFER DATE: 8 JANUARY 2027

For full details on the admissions policy, click the link below -

https://www.coventry.gov.uk/downloads/download/2578/wmg_academy

2027/2028 Oversubscription Criteria

If there are more applications than places available then all applications will be allocated in accordance with the oversubscription criteria set out below. All children whose EHCP names the Academy will be admitted before the oversubscription criteria are applied.

1. **Looked after children and previously looked after children (LAC/PLAC),** - *these applicants are admitted in advance of the fair banding allocations. These applicants will still sit the CAT test to determine their ability band for curriculum planning*
2. **Children of Staff** – *employed at the academy for 2 or more years at the time of application, or has been recruited to fill a vacant post*
3. **Fair Banding** – All applicants will be asked to sit a nationally recognised benchmarking test (CAT- Cognitive Abilities Test)*

***please read the schools admissions policy for further details**

Allocation Notes:

1. Children with an education, health and care plan that names WMG Academy Coventry will be offered a place first. This will reduce the number of places available. However, they must not apply directly to the academy. Instead, applications must be made through the local authority, they will liaise with the academy and make sure the academy can meet the needs of the EHCP.
2. All students intending on joining WMG Academy for Young Engineers will be asked to indicate at the application stage which of our STEM subjects they already have an interest in:
 - Computer Science/IT/Digital
 - Engineering Design (Engineering Manufacture is compulsory in the core curriculum)
 - Product Design
 - Electronics
3. Allocation of places within bands – if a band has more applicants than places, allocation is determined randomly within that band. If a band has fewer applicants than places, unfilled places are returned to the central pool and redistributed equally across all bands

Further details on banding on next page

Ability Bands

Band	CAT Mean Score	% of Intake	No of Students (PAN=100)
1	Above 116	20%	20
2	106-115	20%	20
3	96-105	20%	20
4	84-95	20%	20
5	Below 85	20%	20

Students are initially allocated to bands based on their CAT mean score

Any unfilled places in a band will be returned to a central pool and redistributed equally across all other bands

If redistribution results in oversubscription in a band, random allocation is applied with that band.

Waiting Lists; All children not initially offered a place are placed on a waiting list, ranked in accordance with the oversubscription criteria and fair banding methodology. Waiting lists operate until 31 December of the admission year. LAC/PLAC students will take absolute priority. When a vacancy arises, the place is **normally offered within the same ability band as the departing student** to maintain cohort balance. If more than one applicant exists in that band, **random allocation** is applied. If no suitable applicants exist in that band, the place is returned to the **central pool** and redistributed across all bands as per the main allocation methodology.

IN YEAR Applications to Year 9, 10 and Year 11; Applications for a place at any time other than the normal time for admission (in-year admission) should be made to **WMG Academy Coventry**. If there is a vacancy in the relevant year group a place will be offered unless it is deemed to fall under the Coventry City Council Fair access Protocol whereby it will be referred to Coventry Admissions and Inclusion Teams. If the year group is full the application will be given a priority and put on the waiting list.

Appeals; Applicants can appeal a decision to refuse admission by writing to admissions@wmgacademy.org.uk within 20 days of the refusal setting out the reasons for appeal. In conjunction with Solihull Metropolitan Borough Council, WMG Academy will facilitate an independent appeals panel to hear any appeal lodged.

Previous year's allocation information 2023-2026

Since 2026 WMG Coventry have changed to 13 -19 year olds with a smaller intake of 100 students into Year 9 and have adopted fair banding criteria. Questions about previous allocations and likelihood of success for future applications should be directed to the school who manage their own admissions.

Section 3

How offers of places are made

The Local Authority will inform all Coventry residents of the outcome of their application by email.

Allocation

Emails will be sent to all applicants by 5pm on 1 March 2027. If you do not receive your email and you made an online application, you can also log on to your online account and will be able to see which school your child has been allocated.

If you are not satisfied with the decision, you can discuss your concern with a member of the Admissions staff. At this time, you may wish to change your preferred options or register an appeal to an independent appeal panel. Staff in the team will advise you on the steps you need to take to do this. **Further information on the appeals process is in [Section 5](#).**

After 1 March 2027 parents can make changes (eg: address changes), make requests for places at other schools and also make a late application up to 15 March 2027. Please email your request to 11plus@coventry.gov.uk or call 024 76975445. From 16 March 2027 we will put together all late applications and changes of preference and complete a second round of offers in early April.

If places subsequently become available at oversubscribed schools, they will be allocated to children amongst the outstanding requests who have the highest priority according to the oversubscription criteria, regardless of whether parents have appealed. These requests will continue to be considered for any available places until the 31 December 2027.

Waiting list

The Local Authority cannot always offer places at a preferred school. If this is the case, the child's name will be automatically placed on the waiting list for the schools they have applied for. If places become available, the Local Authority will allocate the places to those who best meet the oversubscription criteria.

After 1 March 2027, all late applications and changes of circumstances will be considered. Many of these children will not receive a place at their preferred school and will also have their name added to waiting lists in April during the second round of allocation. As this is open to all applicants there can be a considerable amount of change to the waiting lists during the second round of allocation.

The position your child is at on the waiting list is as of the day you enquire. There will be **no** changes to the waiting list from 1 March until we have completed the second allocation round so information on changes to waiting list positions will only be available from **12 April 2027**.

All applicants will be placed in order based on the school's oversubscription criteria. This means that your position on the waiting list may go up or down depending on how others joining/leaving the list meet the oversubscription criteria. Schools will operate their own lists in conjunction with the local authority.

Waiting lists will remain in operation until the 31 December 2027. Please look at the individual school details in Section 2 or view the schools' policies at www.coventry.gov.uk/schoolcontactdetails to check the individual schools' position regarding the operation of their waiting lists.

IMPORTANT REMINDER

- **If you have not got a place at your preferred school, you have the right to appeal.**
- **Children can move up or down the waiting list.**
- **Having a place on the waiting list is no guarantee that a place will become available**
- **Parents who have applied for places outside the city should contact the appropriate authority direct to discuss the appeals process and the position on any waiting lists.**

Section 4

Travel to school and free school meals

School travel and transport

The Coventry Transport Strategy aims to create a city where it is easy, convenient and safe to walk, cycle and travel on public transport, and where most people do not need to use a car to access the services that they need for day-to-day life. To achieve this, we will also need to be innovative. Coventry already has a reputation as a leader in the field of transport innovation and we will seek to maintain and strengthen this over the lifetime of the strategy.

The Strategy is important to help the city keep up with new developments and the needs of the changing world. Global issues such as tackling climate change, fighting poverty and reducing inequalities must be faced by every city.

In the UK, the Government has committed to achieving net zero greenhouse gas emissions by 2050. The West Midlands' target is 2041, and that will need major changes in the way goods and people move around the country.

This includes, for example:

- building a network of safe, segregated cycleways
- creating a safer and more pleasant environment for pedestrians, particularly in the city centre and around other local neighbourhood centres
- New Liveable Neighbourhoods, residential areas where through traffic is discouraged to improve the environment for pedestrians and cyclists, developed with residents
- delivering a programme of School Streets schemes, where temporary road closures at pick and drop off times make it easier for pupils to walk and cycle to school
- becoming the first city in the county to have an all-electric bus fleet (by 2025)
- Further expansion of the public network of electric vehicle charge points
- Further rollout of average speed cameras to improve road safety
- engaging with local schools, businesses, and residents to promote sustainable travel options.

In 2022, 53% of residents said that driving was the method of travel they most used when escorting children to school. While this is significantly lower than for other types of journeys (e.g. commuting), it is anticipated that, over the long-term, the measures set out in the Coventry Transport Strategy will help to reduce this further and to increase the number of school children who travel to school by walking, cycling or by public transport.

The Coventry Transport Strategy is available on the Council's website at <https://www.coventry.gov.uk/transport-strategy-2>.

One of the things to think about when deciding which schools to apply for, is how your child will get to school. The Local Authority can offer assistance for travelling to school, but only for those fitting the qualifying distance and other entitlement criteria detailed below.

When considering how your child will get to school, please use the following links for up-to-date information and advice.

www.coventry.gov.uk/cyclemap

<https://journeyplanner.networkwestmidlands.com/>

Qualifying distances

We have a duty to provide free home to school transport for children who live within the Coventry boundary, are of statutory school age (5 - 16 years of age) and meet one of the following criteria:

General entitlement

Free transport will be provided for pupils attending the nearest qualifying school at which places are available if the distance from the home address to the school is:

- more than 3 miles for children aged 8 to 16

In each case this is shortest walking route between the home address and the school measured by which a child, accompanied as necessary, may walk safely.

If however, you successfully apply for a place for your child at a school that is not the nearest school with places available, you will not be eligible for a free travel pass unless you qualify under the low-income rules.

Low-income entitlement (Extended rights)

There are additional ways in which children from low-income families may qualify for free travel.

Low-income families are defined as those entitled to **Targeted Free School Meals***.

Children from low-income families are eligible for free travel if they meet one of the following criteria:

Aged 11-16 attending:

- One of the three nearest qualifying schools between two and six miles from their home
- The nearest school preferred by reason of a parent's religion or belief which is between 2 and 15 miles from their home

***Targeted Free School Meals - applies to pupils in households receiving Universal Credit with annual household earnings of no more than £7,400.**

Coventry City Council uses the Department for Education's Eligibility Checking Service to confirm whether a child meets the criteria for Targeted Free School Meals and is therefore eligible for extended rights travel.

***Expanded Free School Meals - applies to pupils in households receiving Universal Credit who do not meet the Targeted Free School Meals income threshold.**

If your child is eligible under Expanded Free School Meals only, they will not qualify for extended rights for travel.

Exceptional circumstances

If your child does not meet the standard eligibility criteria, you may apply for travel assistance under exceptional circumstances. Each application will be considered on its individual merits, taking full account of all the circumstances and evidence put forward.

Please note: Parents and/or carers work or care commitments would not be considered as exceptional circumstances.

You can apply online via www.coventry.gov.uk/applyforatravelpass

For further information including the appeals process please visit:

www.coventry.gov.uk/schoolbuspasses

Individual school policies

Where a child does not qualify under the Coventry City Council home to school transport policy St John Henry Newman Catholic School and Cardinal Wiseman Catholic School operate a discretionary policy in which a child may qualify for free travel under their own individual transport policy. These policies are reviewed annually and are subject to change. For any queries regarding the school policies please contact the school direct. **Please note:** Any right of appeal if refused under the school policy is a matter for the school and not the council.

For further information please visit: <https://www.coventry.gov.uk/schools-schooling/school-travel-passes/2>

School transport for a child with special educational needs

Sometimes Coventry City Council will provide travel assistance to pupils with special educational needs and disabilities. To find out further information, please visit the Travel Assistance page at www.coventry.gov.uk/travelassistance

For further information please email: access@coventry.gov.uk

School meals

Secondary schools provide meals for pupils at midday and a choice of menu is offered (a hot meal or a packed lunch). Menus are planned to ensure a high nutritional content. Pupils requiring alternative diets for medical or religious reasons are also catered for.

If your child already attends a Coventry primary school and will be attending a Coventry secondary school in September 2027 the secondary school will be made aware that you receive free school meals so there is no need to make another application.

Eligibility Criteria

If you are not sure of your eligibility, please contact the Free School Meals team – see page 80 for contact details.

Free School Meals – Year 3 +

Your child will be able to get Free School Meals if you receive any of the following:

- Any amount of Universal Credit
- Income-related Employment and Support Allowance
- The guaranteed element of Pension Credit
- Support under Part VI of the Immigration and Asylum Act 1999

A child becomes eligible for a free school meal (FSM) once their claim has been **verified and approved**. Verification can either be from using the Department for Education's Eligibility Checking Engine (ECE), or via the HB/CTS claim. Eligibility starts from **the date the claim is approved, not from the date the application was submitted**.

Free School Meals Transitional Protection is ending

Transitional protections has applied since 1 April 2018. **The Government have announced that from the start of the 2026-2027 school year transitional protection will end.**

FSM's will however be extended to include all children from households in receipt of Universal Credit.

Free School Meals – No recourse to public funds

Your child will be able to get Free School Meals if you fall into one of the following eligible groups

- Zambrano carers
- families who have no recourse to public funds with a right to remain in the UK on grounds of private and family life under Article 8 of the European Convention on Human Rights
- families receiving support under Section 17 of the Children Act 1989 who are also subject to a no recourse to public funds restriction
- a subset of failed asylum seekers supported under Section 4 of the Immigration and Asylum Act 1999
- Chen carers
- families holding a **BN(O) passport**
- spousal visa holders
- work visa holders
- student visa holders
- those with no immigration status

You will also need to evidence that your annual household income is below

- £22,700 for families with 1 child
- £26,300 for families with 2 or more children

In addition to these thresholds, families must hold no more than £16,000 in capital and savings.

For details of how to apply, when and how to report a change of circumstances, and for further advice If you require further advice, please visit www.coventry.gov.uk/freeschoolmeals or contact the team direct on **024 7683 3773** or freeschoolmeals@coventry.gov.uk

Pupil premium

When you successfully apply for free school meals the school will receive extra government funding, even if your child does not want the meal. This additional funding will be used to help children from lower income families to do their very best at school. Please let your school know if you think you may qualify.

School uniform help

Clothing Coventry is supporting struggling families by providing free, good quality second-hand school uniforms. To find out more information please visit: [School uniform support](http://www.coventry.gov.uk/schools-schooling) on the www.coventry.gov.uk/schools-schooling webpage.

Your child's school may also be able to offer support depending upon your financial circumstances. Please also contact Coventry Citizens Advice by calling the Adviceline on 0800 144 8848 or via www.coventrycitizensadvice.org.uk

Section 5

What the law says about
parental responsibility,
parental preference,
crown servants and rights
to appeal

Definition of a parent includes

- All natural parents, whether they are married or not; and
- Any person who, although not a natural parent, has parental responsibility for a child or young person
- Any person who, although not the natural parent, has the care of a child or young person

Who has parental responsibility?

- Natural mother (unless and until an Adoption Order is made)
 - Natural father not married to mother but jointly registered the child's birth with the mother
 - A man married to the biological mother at the time of the child's birth
 - A person named in a Child Arrangement Order (CAO) as the person with whom the child shall live whilst the CAO remains in force
 - A guardian of the child appointed by the Court
 - A man with whom the child's mother has made a "parental responsibility agreement"
 - A man on whose application the Court has made a "Parental Responsibility Order"
 - Adoptive parents named in an Adoption Order
 - Local Authority named in a care order
- (This list is not exhaustive)

What does care mean?

A person has care of a child if they live with and look after the child irrespective of their relationship with the child. This person is considered to be a parent under the education law.

Schools need to be informed of the names of all parents, people with parental responsibility or persons who care for a child in order to ensure that all persons who have rights relating to a child are consulted about important decisions.

It is therefore important that you co-operate with the school staff by providing the information they require. If changes are made to your family circumstances or if orders are made under the Children Act which relate to the child it is vital that you keep the school fully informed.

Parental Choice

An admission authority has a duty to meet parents' preferences for a school place up to their published admission number. Parents do not have a right to choose which school their child will attend only the right to express a preference. In 2026 **81.9%** of first preference requests for secondary school places were met. The individual school pages in this booklet give details of the number of last year's applications and their outcomes for each school.

Where you have been refused a school place you have the right to appeal that decision to an Independent Appeal Panel. Appeals for admissions into secondary school in September 2027 will be heard May-July 2027.

Please Note: You must make an application and be refused a place at each school you stated as a preference before you can make an appeal for that school.

Appeal Outcome

Where an appeal panel allow your appeal, the admission authority must admit your child. If you wish to discuss the appeals process further, please contact school appeals on 024 7697 2647 or email; schoolappeals@coventry.gov.uk

Further Appeals

Parents who have appealed unsuccessfully can apply for a place at the same school in respect of a later academic year and have the further right of appeal if that application is unsuccessful.

Parents do not have a right to a second appeal in respect of the same academic year, except where:

- a) The Admissions Authority agree there were faults in the first appeal which may have significantly affected the outcome
- b) The Admissions Authority accept a further application for a place at the school because of a significant and material change in the circumstances of the parent, child, or school, but this has been turned down

Schools do not consider repeat applications unless the significant and material change relates to matters that would affect the level of priority which would be given to the application in accordance with the admission oversubscription criteria.

Admission Numbers

The School Standard and Framework Act 1998, referred to in this booklet as the 1998 Act, and the School Admissions Code 2021 requires the Academy Trust for Academy Schools, to admit pupils on request up to the school's published admission number. The published admission number applies in respect of the normal year of entry (Year 7 and in the case of the UTC Year 9 in 2027) and is based on the Net Capacity Formula. The calculation takes account of the amount of teaching space the school has available. The admission number therefore reflects the physical capacity of the school.

Admission of children of UK service personnel and other crown servants

In line with the School Admissions Code (2.21) families of UK service personnel with a confirmed posting to Coventry or Crown servants returning from overseas to live in Coventry can be allocated school places before their arrival in the city if they provide an official letter that sets out their relocation date and a unit postal address or quartering area address. This means that any schools with places available must allocate a place for a child before the family arrives in the city. Where a school is full you have the right to appeal to Independent Appeal Panel and/or to be placed on the waiting list. If families do not request a school with places available, then Coventry City Council will allocate a place at the nearest school to the intended address which has places available.

IMPORTANT REMINDER: Appealing for a school place does not affect your position on the waiting list.

Section 6

Moving schools at other times

In Year transfers - things to think about

When a child enters primary school or transfers at 11 to secondary school, it is normally expected that they will continue at their school throughout their school career. We recognise however, that there may be specific limited circumstances where a parent or guardian considers a transfer request to be appropriate. As a parent or guardian, please think carefully before making an in-year transfer request. A change of school may not be the solution and if undertaken hastily, may worsen the situation. There is clear evidence that the attainment levels of children who move schools outside the normal admissions round are significantly lower than those who remain at the same school throughout their secondary education.

In deciding whether to apply for a transfer, please look at the details below and consider the following question: **“Will a transfer be the best way to meet the educational or social needs of my child?”**

Discussions with the current school

Have you fully discussed the problems your child is facing with their current school? In many cases schools can put measures in place to deal with any problems that a child has. It may be that they are unhappy due to bullying or finding it difficult to make friends; they might not be getting on with a teacher; they may be struggling with their work, or maybe not being challenged enough.

Whatever the problem, simply changing schools may not be the answer to solving it. Indeed, the problems could get worse in a new environment.

Curriculum/exams

Although there is a National Curriculum that every child is expected to follow, each school will teach a different part of the curriculum at different stages and different times of the year. If you change your child's school, they are likely to miss important work and their exam results are likely to suffer. This is particularly relevant when considering a move for those children in Year 9, 10 or 11. Research has shown that pupils moving schools are far more likely to achieve poorer examination results than those who remain at the same school.

Alternative schools

There is likely to be a small number of schools that have places available, particularly for some Year Groups. The distances your child has to travel may therefore be considerably longer. If there are no places available, and you still would like a place at a particular school, your child will be placed on the waiting list for the school requested and you will have the right to appeal to an independent appeals panel. There is however, no guarantee that this would be successful. For information on a school waiting list and appeal process, please view the schools admissions policy via www.coventry.gov.uk/schoolcontactdetails

Whatever year group your child is in, it's important that if you are considering moving schools, you need to make sure that the school you choose is the right one for your child. The best way to find this out is to visit the school you are interested in - speak to the head

teacher (with an appointment) if you can. Remember the question above and find out how this school is different from the one they are at now. Is your child going to find it easier to achieve at this school than their current one?

How to apply

For anyone making an application, please note that all secondary schools set their own rules for admissions. You can view the admissions policies for each school, via www.coventry.gov.uk/schoolcontactdetails

Further information about each school can be found in its prospectus, which can be obtained direct from the school. Arrangements can be made to visit individual schools by contacting the Head teacher.

If you would like to apply for a place at a Coventry secondary school, please complete the In Year Secondary application form online via the following link; www.coventry.gov.uk/secondaryinyearapplication

If you are looking to transfer from a Coventry school to another Coventry school outside of the usual admission round (i.e. Year 6 to Year 7) please complete the in-year transfer form, which is available from the main reception of your child's current school.

Once you have completed Part 1 and Part 2 of the form, you will need to return it to your child's current school for Part 3 to be completed. The Head teacher will arrange to discuss the reasons for transfer with you.

Supplementary forms for applicants applying for Blue Coat Church of England School and Seva School can also be downloaded via [www.coventry.gov.uk/Supplementary forms](http://www.coventry.gov.uk/Supplementary%20forms) However, these must be returned to the preferred school direct in the paper format. Advice is available from Admissions staff in making your application.

Remember - until a transfer has been agreed, and a start date confirmed, it is the parent/carer's responsibility to ensure your child continues to attend school.

Transport

If you decide to move your child, the Local Authority will NOT provide free transport even if you live outside the travel limits for the school 3 miles for secondary, 2-6 miles for low-income families. Journeys to a new school may involve additional buses, extra costs and travelling time.

Fair Access Protocol

All Coventry schools are required to sign up to an in-year fair access protocol. The aim of this protocol is to reduce the time that vulnerable children spend out of school and to ensure that vulnerable children are admitted to Coventry schools on a fair basis, making sure that no school is asked to take a disproportionate number of pupils presenting with challenging behaviour or who have been excluded. This process can also be used if there are no places available for children without school places. Any children that are considered to require a

school place through this protocol will be given priority over those on waiting lists and can be admitted to schools even when the school is full.

Further details of the protocol are available from the Attendance and Children Missing Education team webpages at www.coventry.gov.uk/attendanceCME

Applications for places outside the normal age group

Where a parent/carer seeks a place for their child outside their normal age group they must state which year group they are requesting and why they want this year group on the application form.

Parents/carers will then be contacted to discuss the matter further as requests will be considered on the circumstances of each case and in the child's best interests. Each secondary school governing body will need to make an individual decision. There are no guarantees that such applications will be agreed. However, where the application is not agreed a letter settling out the decision and reasons for it will be provided along with any rights to appeal.

Admission of children of UK service personnel and other crown servants

In line with the School Admissions Code (2.21) families of UK service personnel with a confirmed posting to Coventry or Crown servants returning from overseas to live in Coventry can be allocated school places before their arrival in the city if they provide an official letter that sets out their relocation date and a unit postal address or quartering area address.

This means that any schools with places available must allocate a place for a child before the family arrives in the city. Where a school is full you have the right to appeal to Independent Appeal Panel and/or to be placed on the waiting list. If families do not request a school with places available, then Coventry City Council will allocate a place at the nearest school to the intended address which has places available.

Further Information available at: www.coventry.gov.uk/secondaryinyearadmissions

IMPORTANT REMINDER - Until a transfer has been arranged your child should continue to attend their present school and will remain on roll until the request has been agreed. Parents are responsible by law to ensure that their children attend school every day and are liable to prosecution if the child is absent without authorisation from the school.

Applying for University Technical Colleges

All parents of pupils in Coventry schools who are in Year 8 in September 2026 will receive a letter containing details of other pathways for education starting in Year 9 and Year 10 that are available in Coventry or neighbouring areas.

University Technical Colleges (UTCs) and Studio Schools which are listed below admit students into Year 9 and Year 10. Application processes open in September with closing dates on 31 October or sometimes later. Specific details of what they offer and how to apply will be available via individual school websites. For more information on which UTCs are within the area please visit: www.utcolleges.org

WMG Academy for Young Engineers, Coventry (please also see details on WMG Academy in Section 2 and throughout this booklet). **Admit into Year 9** www.wmgacademy.org.uk

WMG Academy for Young Engineers, Solihull **Admit into Year 9**
www.wmgacademy.org.uk

Aston University Engineering Academy, Birmingham **Admit into Year 9**
[AUEA | Aston University Engineering Academy](#)

Birmingham Ormiston Academy **Admit into Year 10**
www.boa-academy.co.uk

Waverley Studio College, Birmingham **Admit into Year 10**
www.birmingham.gov.uk/schooladmissions
www.waverleystudiocollege.co.uk

All schools have a statutory duty to secure impartial careers guidance for all Year 8 to Year 13 students to inspire young people to fulfil their potential and to make them aware of all opportunities open to them. We strongly recommend that your child discusses their options with a career's adviser in their current school when considering applying to any of these schools.

Transport

If you choose to move your child, the Local Authority will NOT provide free transport even if you live outside the travel limits for the school (see section 4). Remember journeys to a new school may involve additional buses, extra costs and travelling time.

Section 7- Jargon Buster

Whilst we have tried to make everything as easy as possible to understand, the process can seem quite complicated. Here is a small guide to some of the words/phrases we have used.

Academies

State funded schools managed by independent sponsors. Their governing body sets the admission criteria

Admissions Authority

The group responsible for dealing with your child's application. This will either be a Local Authority or the Governing Body of the school

Admission/oversubscription criteria

A set of rules that are used to decide who is given places at each school

Allocation

Offering places to parents

Catchment Area

Local area served by school

“Clearing House”

The central point for all applications, which are then passed on to other admission authorities

Free Schools

Free schools are new academy schools. They are independent of the local authority and funded directly by the Department for Education. Any suitable group can make an application to establish a free school, including parents, teachers, charities, community groups and businesses. They are able to set their own curriculum and admission policy.

Independent schools

Fee-paying schools which you have to apply directly to for a place

Initial allocation

This is when you will be told at which school your child has been offered a place (1 March 2027)

Local Authority

Your Local Authority is the Council which you pay your council tax to

Oversubscription

When more people want a school than there are places available

Preferences

Where you would like your child to attend school – the more you like the school, the higher the preference

UTC

University Technical College
