16th October 2026

Year 10 Work Experience Week Beginning 14th June- 18th June 2027

Dear Year 10 Parents and Carers,

As part of our commitment to preparing students for life beyond school, all year 10 students will take part in a week-long work experience placement in the week beginning **Monday 14th June to Friday 18th June 2027**.

This is an invaluable opportunity for students to gain insight into the world of work and develop essential skills.

We would like all students, where possible, to arrange a private placement. Students will be given support during registration time on how to make contact with a range of organisations, in the meantime, they can start arranging their placements if they are keen to start searching immediately.

- The deadline to secure places is Friday 12th February 2027.
- If your child chooses to arrange a private placement, they must submit all necessary details and documentation by Friday 12th February 2027.
- Your child will submit their placement details using Unifrog

There will be a small number of placements that we are able to secure through an outside agency with a fee of £40.00 per child (non-refundable). If you wish for your child to secure one of these places, please pay through the parent pay platform (open now). All payments will need to be submitted by Friday 12th February 2027.

If you or your child would like support in finding their own work experience then please contact our careers advisor Mrs Dye on EDYE@stokepark.coventry.sch.uk

Yours sincerely,

Miss Pinder
Assistant Headteacher (Y10)

Mr Glover
Assistant Headteacher (Y10)
