

STOKE PARK
— SCHOOL —

Dear Parent/Carer,

I hope this letter finds you well. It is with immense pride that I write to you today to commend your child, on achieving a 100% attendance record for the first half term of this academic year.

Your child's attendance is a testament to their dedication and commitment to their education. It is said that showing up is half the battle, and their consistent presence in school is laying the foundation for their success. By attending every class, they are placing themselves in the best position to achieve great results and outcomes, regardless of what success means to them personally.

Their attendance is not just about being physically present; it is a reflection of the pride, respect, independence, determination, and excellence they show each and every day. I look forward to seeing how they maintain this and continue to make outstanding progress throughout the remainder of the year.

Keep up the fantastic work and remember that their dedication does not go unnoticed. Their commitment to their education and their future is something to be celebrated and cherished.

In the meantime, if there is anything we can do as a school to continue to support then please do contact your child's Year team.

Warmest regards,

Mrs Moroney
