

## Careers - Measuring Impact

At Stoke Park School, we base our planning, delivery and evaluation of the careers provision on the Gatsby Benchmarks for Good Career Guidance. In addition, we also use Compass – the careers benchmark tool as outlined in the Gatsby Benchmark to assess and improve our current CEIAG provision. Our progress against the Gatsby Benchmarks will be reviewed regularly throughout the academic year to help us meet all of the 8 benchmarks by the end of 2020.

We will monitor the impact of our careers plan and the CEIAG we deliver through:

- Start analytical tools
- Compass and Compass Plus
- Pupil evaluations and feedback following events and visit
- Staff feedback

All activities and policies are reviewed annually. Our Carers Policy and Provider Access Policy can be found on our school website in about us, Governance.
