## Easter twice weekly Covid testing at home

Dear parent/carer,

A huge thanks for your support with testing so far. Students have received another batch of test kits to allow you to continue testing over the Easter holiday. If you have not received your tests please contact us by email to [admin@stokepark.scoventry.sch.uk](mailto:admin@stokepark.scoventry.sch.uk) and a test kit will be posted out to you.

It remains parental choice if your child uses the testing kit. If you do use the test kit, please make sure your child tests themselves twice each week. Before returning to school after Easter students should be tested either on Sunday evening or Monday morning. Your child should not eat or drink for 30mins before the test is taken.

## What should you do after the test?

All results whether positive, negative or void need to be reported to both [NHS Test and Trace](#) and the school.

### Reporting your results to school

It is important to keep a note of your child's results and share with the school as soon as known. To do this we are asking you to access the following online form <https://tinyurl.com/yzxdlao> and include the following:

- your child's name
- date of test
- time of test
- your child's test result
- the reference number on the test Kit

If anyone tests **positive you, your household, any support bubbles you are part of** should self-isolate immediately in line with NHS Test and Trace guidance for 10 days.

Please inform us of any positive test results over Easter using the covid email; [covid@stokepark.coventry.sch.uk](mailto:covid@stokepark.coventry.sch.uk).

You should then book a follow up PCR test and inform us of this result.

If you or anyone in your household gets symptoms of the virus you should follow [national guidelines on self-isolation and testing](#). You can [book a test here](#).

Thank you for your continued support. A reminder that we will continue to do everything we possibly can to help anyone in our school community. If you have any questions, concerns or ideas please do contact us. If we can help, we will.

Yours sincerely,

**Miss Rock**  
**Headteacher**
