Introduction

Stoke Park School's Provider Access Policy Statement sets out the arrangements for managing the access of providers to pupils at our school for the purpose of giving them information about the provider's education or training offer. This complies with Stoke Park School's legal obligations under Section 42B of the Education Pupil Entitlement.

Please see the Stoke Park School's Careers Education, Advice and Guidance (CEIAG) Policy

Pupil Entitlement

All pupils in year 8-13 at Stoke Park School are entitled:

- To find out about technical education qualifications and apprenticeship opportunities, as part of a careers programme which provides information on the full range of education and training options available at each transition point.
- To hear from a range of local providers about the opportunities they offer, including technical education and apprenticeships- through events, assemblies, group discussions and taster events.
- To understand how to make applications for the full range of academic and technical courses.

Management of Provider Access Requests

A provider wishing to request access should contact:
