

Dear Parent / Carer,

It is so lovely to see how wonderful our Year 7 students have settled in The Bridge. All students have now settled into their tutor groups, their lessons and all of the wonderful enrichment opportunities we have on offer in The Bridge.

Your child's tutor should be contacting you over the next few weeks as part of our settling in phone calls. Please use this opportunity to share any concerns or positive feedback you have for us. This is the best opportunity to really touch base with your child's tutor. If you wish to contact them to schedule an appointment, please email:
