

Dear Parent / Carer,

Due to staffing pressures arising from illness, we have had to make the difficult decision to cancel the trip to the University of Birmingham on Tuesday 14<sup>th</sup> December. Please be assured there are many other exciting seasonal activities taking place in school etc.

Also, unfortunately, as you may have seen in the local news, The Belgrade Theatre are not offering live performances until after 17<sup>th</sup> December, therefore, this trip to the Belgrade is also cancelled for those students that had signed up to it.

Our finance team will endeavour to refund as soon as possible. Please note that for any payments paid by bank transfer, there may be a slight delay in refunds as until the payment clears through banking system we are unable to process until it has. Please do continue to check your Parent Pay account over the coming weeks.

On another note, we do have a fantastic opportunity for Year 7 to still participate in this Science Lecture experience albeit, virtually on Monday 13<sup>th</sup> December during the school day. This will be held within school and will still give our students the aspirational experience.

We also have some other fantastic opportunities planned in school during this final week of term to ensure that our students have the best end to their first term with us in The Bridge at Stoke Park School.

Additionally, there will be many other opportunities in the Spring Term for our students to experience to allow them to delve into the world around us.

We do appreciate your support and understanding in this unforeseeable matter.

Yours faithfully,

Miss L Meyrick  
*Director of The Bridge*
