

## STOKE PARK — SCHOOL —

### REF: YEAR 11 MOCK EXAMS

Dear Parent/Carer,

Year 11 Mock Exams are taking place from **Monday 28<sup>th</sup> November till Friday 2<sup>nd</sup> December 2022**. Mocks give an essential opportunity for students to familiarise themselves with the format and content of GCSE papers and provides both them and their teachers a clear indicator of current and future academic performance. It is vital that pupils **attend school every day**, attend intervention where applicable and give 100% effort to all revision and mocks as they will yield essential information on areas of strength, weakness and misconceptions at an individual level.

Each learner should be asking their teachers for revision resources and strategies to use to develop their study skills and identify what revision techniques work best for them.

Learners should make sure they have the necessary equipment for each exam, which includes a clear pencil case, black biros, pencils, geometry set and a calculator when allowed. Learners will be expected to follow all **JCQ exam protocols**, including no watches of any form or phones in the exam venue.

We will be testing on the following subjects:
