Careers Update

Dear Parent / Guardian,

Unifrog

In keeping with our commitment to provide students with outstanding careers guidance and tailored support when choosing their next step after school, we are using Unifrog; an award-winning, online careers platform. All students in Years 7, 8, 9, 10, 11, 12 and 13 now have access to this excellent website.

Unifrog brings into one place every undergraduate university course, apprenticeship, and college course in the UK, as well as other opportunities, such as School Leaver Programmes, MOOCs and every college at Oxford and Cambridge. This makes it easy for students to compare and choose the best university courses, apprenticeships or further education courses for them. They can also explore exciting opportunities further afield by looking at English taught undergraduate programmes available in Europe and the USA.

Additionally, the platform helps students successfully apply for these opportunities by writing their personal statement, applications and CVs and guiding them through the process, allowing teachers to give live feedback.

Students will have dedicated in-school sessions on using Unifrog at tutor time and will be using the platform to log and track competencies, enrichment, leadership and enrichment experiences which is all linked to the Stoke Park Experience.

Students access the tool using their email address and password and they can do so from any computer, tablet or smartphone. We would encourage you to use the platform with your child so you can support them through the careers process.

STOKE PARK — SCHOOL —

Careers Advisor – Miss Dye

We have an in-school fully qualified careers advisor who is based in the sixth form area for 1-2-1 career appointments. If your child would like an appointment they need to speak to the Head of Year for a referral to this service.

Careers Week

Careers Week is 6th March to 10th March. There will be lots of information and activities linked to careers during this week.

Careers Fair – Wednesday 19th April

We will be hosting our own careers fair where students can talk to employers, universities and career advisors regarding future pathways.

For more information about our careers provision on our website please click [here](#) or see the careers section of the Stoke Park school website.

Yours faithfully,

Miss Kennedy
Associate Assistant Head teacher – Student Experience
