Date: March 2023

Admission Arrangements 2024

Dear Parents/Carers

Due to an increase in demand for secondary school places across the city and Coventry City Council's proposals to address the shortage of secondary school places expected from September 2024. A number of schools have been asked by the local authority to consider increasing the amount of available places.

For September 2024 Stoke Park Academy's Published Admission Number (PAN) for Year 7 is 180, with after careful consideration the school agreeing to an additional 30 places being offered for this year to help satisfy demand across Coventry (210).

Yours sincerely

Miss N Rock
